WALLACE REID IS STAR IN "WHAT'S YOUR HURRY?"

Picture Shows Racing Scenes; Will be at Umatilla Friday and Play House Saturday

Wallace Reid in another thrilling automobile picture, "What's your Hurry?" will be the attraction at the Play House Saturday and Pound's, Umatilla Friday. Like its predecessors, "The Roaring Road" and "Excuse My Dust," the story was written by Byron Morgan.

The action centers around "Dusty" Rhoades, an auto racing driver in love with Virginia, daughter of Pat MacMurrin, manufacturer of Pakro trucks. In an effort to win favor from the irascible Pat, "Dusty" abandons racing and becomes publicity man for Pakro trucks. But his well meant efforts only land him deeply into the bad graces of Pat, whose bad temper has been further aggravated by his own failure to secure an expected order for trucks from the Cabrillo Irrigation Co. "Dusty's" opportunity comes when the Cabrillo company's dam starts to give way in a raging storm. He leads a fleet of Pakro trucks into the breach and not only saves the dam, but also rescues Pat and Virginia from possible death. Lois Wilson supports Wallace Reid as leading woman in "What's Your Hurry?"

Methodist Church Notices

Usual services Sunday morning. Sunday school at 10, preaching at 11. At 3 p. m. Dr. Robt. Warner of Spokane will deliver a special message to the members and friends of the church. Columbia district is planning to attend this service. Epworth league at 6:30.

In honor of Mrs. Charlotte Reihl who celebrated her 88th birthday on Thanksgiving day a number of her friends met in the basement of the church on Thursday evening. The evening was pleasantly spent in visiting and listening to an informal program, after which dainty tray luncheon was served by a committee of the ladies aid. Mrs. Reihl is the oldest member of our congregation and received many good wishes for a continued happy and useful life. The ladies aid met at the home of Mrs. Waterman for an all day meeting on Wednesday. Plans were completed for the bazaar to be held on December 10. Next Wednesday afternoon the aid will meet with Mrs. Wann.

The union Thanksgiving services held at the Methodist church were well attended considering the weather. The music given by the joint choir and the male quartet was very much appreciated.

Rev. R. V. Ashmun gave a very appropriate sermon for the occasion stressing the fact that our Pilgrim fathers' efforts have been crowded by the fact that America is now the most religious nation in the world.

Grapes and grape varieties and cultural methods will be given special attention during the short course December 3 to 17. Such features of viticulture as pertain to the growing, harvesting and marketing of both American and European types of grapes, soils, locations, pruning, training, grading, packing and storage will be considered.

The two week's course in fruit and vegetable growing will also include work on spraying, insect and disease control, thinning varieties of fruit and vegetables suitable for Oregon, small fruit growing, plant propagation, landscape gardening.

Taking Desperate Chances

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?

Chamberlain's Cough Remedy the Mother's Favorite

The soothing and healing properties of Chamberlain's Cough Remedy its pleasant taste and prompt and effectual cures have made it a favorite with people everywhere. It is especially prized by mothers of young children for colds, croup and whooping cough, as it always affords quick relief and is free from opium and other harmful drugs.

The Umatilla high school has joined the debating league and are having their tryouts. They will soon be full fledged debaters.

When You Are Constipated

To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull, stupid feeling, that often accompanies constipation.
