## SHERWIN-WILLIAMS HOUSE PAINT SWP

How SWP cuts painting cost

The only way to buy paint economically is to forget gallon price and figure costs by area covered and years of life. SWP covers one-third more area than paints which are cheaper per gallon. It lasts twice as long without repainting, so requires half the material and costs half the labor price (for painting and repainting).

So price per gallon means nothing. Area covered, weather resistance, and years of life are the real things that determine price economy. On that basis SWP is the cheapest per-gallon outside paint you could buy. SWP has been the leading prepared house paint for half a century. You will find a complete line of it at our store. Let us figure with you on your house-painting.

### LIONEL BARRYMORE HAS LONG LIST OF TRIUMPHS

Distinguished Actor Will be Seen in Associated First National Picture "The Great Adventure"

Lionel Barrymore, member of the famous Barrymore family of artists and himself a distinguished actor, who will be seen as the star in "The Great Adventure," an Associated First National picture, produced under the personal supervision of Whitman Bennett and directed by Kenneth Webb, at Pound's Sunday at 3 p. m. and the Play House at 7:15 and 9 has had a long career on stage and screen.

In fact, he has been acting almost continuously for a period of 27 years. Born in Philadelphia, Pa., in 1888, his father was the late Maurice Barrymore, and his mother, Georgia the sister of John Drew. He made his stage debut in 1893, with his grandmother, Mrs. John Drew, Sr., in "The Rivals." There followed several years of supporting parts with Nance O'Neill, James Herne, and John Drew, during which time he played in "The Best of Friends," "Pantalon" and "Fires of Fate." He then toured vaudeville in "The Still Voice."

Perhaps Mr. Barrymore's greatest stage success was "The Copperhead," which was followed by a wonderful production of "The Jest," in which he co-starred with his brother John.

His first appearance on the screen was in "Exploits of Elaine," a Pathé serial. He then went with Metro, by whom he was starred in comedy and dramatic parts.

Mr. Barrymore is five feet eleven inches tall, and weighs about one hundred and seventy pounds. His home is in New York City.

Mr. Barrymore's wife is Doris Rankin, daughter of the well-known actor, McKee Rankin, and in her own right an actress of widely recognized merit.

### They Appeal to Our Sympathies

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have been completely restored to health by the use of Chamberlain's Tablets. These tablets strengthen the stomach, invigorate the liver and improve the digestion. They also cause a gentle movement of the bowels. When you have any trouble with your stomach, give them a trial.

### A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer, who wished to buy a cough medicine, whether it was for a child or an adult and if for a child, they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, croup and whooping cough it is unsurpassed.
