

AMERICAN LEGION NOTES

The first Sunday in April has been designated by The American Legion of Oregon as American Legion Sunday.

Each Post has been requested by Department Commander. Goodell to urge its membership to attend church on that day.

On this day the plan is for each post of the American Legion to attend one of the local churches in commemoration of this important event and to show respect to the sacred memory of their honored dead. "Boost The American Legion—Go to church on Memorial Sunday" reads the proclamation from Rev. Frank James of Dallas, Oregon, Chaplain of the Oregon Legion.

Dufur Post No. 48 American Legion is seeking the whereabouts of Lloyd F. Gray an ex-service man who disappeared from his home in Portland, Oregon last November leaving a wife and child.

A big installation of The Dalles voltour of La Societe des 40 Hommes et 8 Chevaux was held at The Dalles last Saturday.

Twenty members of The Dalles Legion post were initiated by members of "wrecking crews" from voltours of Hood River, Bend and Portland. La Societe des 40 Hommes et 8 Chevaux is the "sunshine" order of The American Legion and the grand promenade for the organization will be held on the 26th of July at The Dalles, a day prior to the opening of the annual convention of The American Legion.

Fourteen states have already refused financial assistance to the move for a George Washington and World War Memorial building in Washington, D. C., and 16 other states will follow suit, according to The American Legion's legislative committee. The Legion opposes construction of the elaborate memorial at a time when thousands of ex-service men are jobless and in need.

The American Legion of Ludlow Vt. has made official report of the prowess of John Sheehan, overseas doughboy, who strangled to death a wild-cat with his bare hands. Sheehan, wounded four times by the bob-cat, was rewarded with an \$8 state bounty. The soldier and the beast came to blows in a remote mountain pass.
