

## HERMISTON TRIMS ECHO, SCORE 10-7

### FOUR RUN RALLY BREAKS UP GAME IN 10TH INNING

#### Echo Leads in Fore Part of the Contest But Hermiston Swings Deadly Bat in 8th and 10th

Hermiston got her start in the irrigation league Sunday when the team invaded Echo and returned with the scalps of the Echoites after a hard fought game that it took 10 innings to settle.

The local boys knew Echo would be a hard rival to beat, as she defeated Stanfield the week before while Hermiston was losing to Umatilla. Umatilla defeated Stanfield Sunday at Umatilla by a 13 to 9 score which puts the down the river boys in the lead for the pennant with Hermiston and Echo tied with a win and loss each and Stanfield bringing up the rear with no wins and two losses.

#### Score Tied in Fifth

The game at Echo was interesting from the start. Logan Todd scored the first one for Hermiston in the first of the third but Echo came right back with two in the last half of the same frame. In the fifth Hermiston tied the score with a run by Waterman. Then in the sixth Echo added two more and another in the seventh making it five to two in favor of Echo.

This was the worst it ever looked for Hermiston, for in the eighth Waterman got to first on Esselstyn's error and Harry Todd, Hutchinson and Voyer hit safely, while Shesley got to first on L. Mitchell's error. The first four scored, bringing Hermiston to the front again, with the score six to five.

Echo tied it up again in her half of the eighth when Esselstyn pounded out a two bagger and scored on an error. In the ninth there was nothing doing on either side so the game went into the tenth.

#### Four Runs in 10th

Then it happened, as the poet would say, Voyer went to first on Mitchell's error, Shesley got a walk, Phelps got a two bagger and Dave Mitteldorf had the good judgement to place a three bagger when he followed at the bat. That scored four runs only, 1, 2, 3, 4, and brought Hermiston's total up to 10, a four run lead.

Echo made a desperate attempt to recover the lead in the last of the 10th and Esselstyn scored a hit by L. Mitchell, bringing Echo's points up to seven.

It was a good game, those who attended from here say and in doubt up to the last minute. Though the score was somewhat large, both pitchers played consistent ball, errors being responsible for a part of the runs. A feature of the game was Shesley's throw to second from the home plate, catching an Echo runner who thought it safe to take a good long lead off when the ball was so far away. Those who play against Shesley will have to watch that whip.

#### Stanfield Next

Next Sunday Hermiston plays at Stanfield, while Echo and Umatilla clash at Umatilla.

The lineup:  
Hermiston: Echo  
H. Todd 3b. 1b. Markham  
Gillette ss. cf. Stanfield  
Voyer 1b. 3b. C. Mitchell  
Shesley c. 2b. Esselstyn  
Phelps p. ss. L. Mitchell  
Mitteldorf lf. rf. Daggett  
L. Todd 2b. lf. Dorn  
Waterman cf. c. Hoskins  
Longhorn rf. Carver  
Hutchinson ss. 1b. McNair  
p. Lloyd  
Howard

#### Summary

Hermiston: Runs 0 0 1 0 1 0 4 0 4-10  
Hits 0 0 2 0 1 0 0 3 1 4-11  
Echo: Runs 0 0 2 0 0 2 1 1 0 1-7  
Hits 1 0 1 0 0 1 2 2 1 3-11

## IS LAYING NEW SIDEWALK

A new cement sidewalk is being built along the west side of the E. W. Mack residence at the corner of Main and Third streets.

## VISITS IN PENDLETON

Earl Kingsley was a Pendleton business visitor on Thursday.

## GOES TO WALLA WALLA

Bernard Mainwaring, editor of the Herald made a trip to Walla Walla, Wednesday returning Thursday.

A. W. Adamson returned Thursday from a business trip to Enterprise.

Col. J. K. Shotwell is making some improvements on his residence property.

## MISS GRAVES TELLS OF CHINA AT CLUB MEETING

Community Club Has Interesting Program; Current Topics to be Discussed on May 2

The community club met at the library last Tuesday. Miss Graves told the members of China, its geography people and customs as she found it when working there. The committee reported the flower sale as being very profitable to the club. After the business and program the committee served tea. On May 2 the following will be the program: Current topics, leader Mrs. A. D. Crostland. Definite accomplishment of the arms conference, Mrs. H. M. Schilling. China History and present government, Mrs. W. T. Roberts.

## HERMISTON LOSES TO UMATILLA HIGH

### LOCAL BOYS OUTPLAYED AT RAILROAD TOWN

Umatilla Springs Surprise and Runs Up Nine Markers Before Locals Get Started; Score 10 to 9

Pride goeth before the fall and the fall came to Hermiston high school at Umatilla last Friday afternoon.

The local team had beaten Umatilla easily in the game here at the opening of the season. Fifteen to two was the count and it doesn't promise that the return game will be hard fought and end in a defeat for the winners of the first one. Yet such was the case.

#### No Scores Till Third

The game at Umatilla was played late in the afternoon, the team going down after school. Several cars of rooters went along. The game was tightly played for several innings, nothing happening until the last of the third.

But when it rains it pours and it sure poured in Umatilla's half. Six runs crossed the plate in this frame, Thompson, D. Dohler, Cherry, Parks, G. Kandler and McFarland all registering. In the fifth the Umatilla sluggers got busy again and Thompson, Cherry and Parks crossed the plate before the side was retired.

This was the end of the scoring until the lucky seventh, which was lucky for Hermiston. The home boys got a start then and three runs were put over, Harold Waterman, Campbell and Haddox being the lucky ones. The eighth saw another avalanche of hits and four more were shoved over, Vernon Waterman, Jimmie Hall, Harold Waterman and Ted Correll bringing them in.

#### Score Tied in Ninth

This left it nine to seven, but Hermiston was ready with two more in the first of the ninth, Hall and Waterman scoring again. The tying score, made by Harold Waterman as he played as the game witnessed, Harold was on third with two out and the chances for a score looking pretty feeble. A run would tie the score so Harold took a chance on stealing home on a return throw from catcher to pitcher and made it, to the delight of the Hermiston contingent.

But Umatilla had enough punch in reserve to sew up the game. With two out and none on D. Dohler sent a nice fly down the left field foul line and was safe. Another fly to the same place a moment later brought him in with the winning run.

#### Third Game Desired

The game was somewhat loosely played in the field and the consensus of opinion seemed to be that Umatilla outplayed Hermiston. Certainly they deserved to win for the team showed a wonderful improvement since their game here. It is to be hoped that a third contest can be staged between the two schools to play off the tie now existing. A similar tie exists between the Hermiston and Stanfield schools, which the fans would like to see settled.

The lineup:  
Hermiston: Umatilla  
Fraser c. c. Strains  
Addleman 3b. 2b. Cherry  
V. Waterman ss. p. 1b. D. Dohler  
Hall lf. p. L. Thompson  
H. Waterman 2b. ss. Parks  
Campbell cf. 3b. G. Kandler  
Haddox rf. lf. J. Dohler  
Longhorn p. rf. R. Kandler  
Smith p.

## CHAMBER OF COMMERCE ROAD COMMITTEE HERE

The road committee of the Portland Chamber of Commerce were here Tuesday afternoon for a short time and visit of inspection, in connection with the Roosevelt highway, coming here from Pendleton. The committee are boosting for the road from Portland, Main to Portland, Oregon.

## DEATH CALLS CHAS. A. HAY APRIL 22

### FUNERAL SERVICES HELD HERE MONDAY AFTERNOON

Mr. Hay Was Born August 3, 1859 at Gallipolis, Ohio; Came Here With Mrs. Hay in 1913

The death of Charles Andrew Hay occurred at the Umatilla hospital Saturday night, April 22, 1922 at 10:15. Mr. Hay had been in poor health for a long time and had been particularly sick during the past few weeks, so death was not unexpected by relatives and friends.

#### Was 62 Years of Age

Mr. Hay was an Ohioan by nativity. He was born at Gallipolis in that state on August 3, 1859 and was therefore 62 years of age. He lived in several of the middle western and western states before coming to Oregon. He was a life long friend of H. G. Newport and worked with him in different states. He was located for a time in Minnesota, North Dakota and Iowa before coming to Hermiston in 1913.

Mr. Hay was married to Mrs. Harriet Kinder February 19, 1903 at Gallipolis, Ohio. They have no children. The Hays came here nine years ago. For a time Mr. Hay worked for Mr. Newport and a little later bought the large house and property well known to residents of the project.

Funeral services were held at the house Monday afternoon at 2 o'clock a large number of friends and neighbors being out to pay a last tribute to "Buckeye," Hay as he was affectionately called. Rev. Harry A. Wann had charge of the short services at the house and of the burial services at the Hermiston cemetery.

#### Member of M. E. Church

Mr. Hay was a member of the Methodist church and departed this life with the hope all Christians have in the resurrection of the human soul. The many friends of the family here extend their sympathy to Mrs. Hay, with the hope that she will see fit to remain here.

Mrs. Elizabeth Ringo of Minneapolis is here and it is possible that Mrs. Hay may go east with her daughter a little later. Mrs. Ringo was here for a visit last summer and has many friends in the community. Her husband is employed in a Minneapolis bank.

## WYOMING WOMAN BUYS TOWN PROPERTY AND RANCH

Mrs. C. E. Abbott of Wyoming has purchased the C. M. Jensen ranch just south of the city limits and consisting of 10 acres all in cultivation with good house and other improvements. In addition she also gets the store building on Main street formerly occupied by the Jewelry store but now rented to the Reliable Cleaners.

#### SILVER TEA IS GIVEN

A successful silver tea was given at the home of Mrs. E. P. Hilsley on Wednesday afternoon when Mrs. F. D. Callahan, Mrs. E. Botkins, Mrs. O. C. Young and Mrs. Hilsley entertained. About fifty ladies were present.

L. L. Boynton, of La Cross, Wash., but formerly of this city, is here visiting relatives.

## FARM LOAN BILL PASSES SENATE, SINNOTT WIRES

Ranchers on Irrigation Project Will be Eligible to Federal Loans When President Signs

It is now practically certain that farmers of government irrigation projects will be made eligible to receive federal farm loans within the next few days as the United States senate last Saturday passed the bill to withdraw the federal lien which has prevented their getting the loans in the past.

Information to this effect arrived here last Saturday evening in a telegram from Representative Nick Sinnott to J. P. McNaught. The bill had passed the house of representatives a short time before, after being subjected to some sharp opposition. The action of the senate now makes it almost certain to go into effect as nothing is left except the president's approval which is expected.

This means that many farmers on this and other government projects will be put in line to receive the federal farm loans. They were previously deprived of the right because they were unable, on account of a government lien, to give a first mortgage in return for the loan. This lien will be withdrawn when the president signs house bill 4382.

The Secretary of the Hermiston National Farm Loan Ass'n. is expecting notice daily from the Spokane bank that they will be allowed to accept applications for loans on lands patented since 1912.

The final passage of this law is due directly to the efforts of Congressman N. J. Sinnott, who has worked steadily on it since the matter was called to his attention by the land owners of the Umatilla project.

## MEN FROM EAST END SCHOOLS VISIT H. S. HERE

Superintendent Goodwin of Milton Tells Why Pupils Go to School so Many Years

The high school was visited Wednesday by the following men from the schools of the east end of the county: Superintendent Green, Superintendent Goodwin of Milton, Principal Hadley of Athena, Principal Robe of Weston, Principal Harrah of Umatilla and Principal Reed of Stanfield. These men are visiting the schools of the west end of the county testing the pupils in Latin, Algebra and Geometry.

Last week Principals Drew of Echo, Voelker of Hermiston, Orth of Stanfield, Reed of Helix, Segrest of Pilot Rock and Superintendent Green of Pendleton visited Adams, Athena, Milton and Weston for the same purpose.

Superintendent Goodwin of the Milton schools answered the question of the students as to why they go to school so many years and study so many seemingly useless subjects in a very good illustration before the student body. His illustration was one of two carpenters going to work, one with sharpened tools and the other with dull tools. He showed very plainly why it was necessary to have sharpened tools and brought out the fact that the boys and girls while in school are sharpening, as it were, the different portions of their brain in studying the different subjects.

The Odd Fellows and Rebekahs attended services in a body Sunday morning at the M. E. Church commemorating the 103rd anniversary of the founding of the order. Rev. Harry Wann conducting the services.

## DR. PRIME HURT IN AUTO COLLISION

### DENTIST IS STILL SUFFERING FROM INJURIES

Pendleton Car Swerves to Wrong Side of Road and Crashes Into Prime's Buick Friday Evening

Dr. Prime returned to Hermiston Saturday from Pendleton and is able to get about, but still sore in both body and mind from the effects of his collision with a car driven by Ray McCarroll of Pendleton on the highway just the other side of Athen Friday evening.

#### Collision is Described

The doctor had made the trip over to Weston early in the day to appraise dental equipment for an old friend from Salem, a Mr. Bennett. They were returning in the evening and reached the spot where the collision occurred some time between 8:30 and 9 p. m. This was about half a mile out of Athena on the other side of the town. They saw the other car coming and crowded as far to the right as was possible, Dr. Prime says.

One side of the Prime car was off the pavement and it was impossible to crowd over any further on account of a five foot embankment. When the other car got to within about 60 feet of them it crossed to the other side of the road and hit Dr. Prime's Buick on the left side.

Since the doctor was on the left side of the car, he got the hardest bruises, the other occupants of the two cars getting off comparatively easy. He was knocked unconscious for a moment but came to very soon and was taken to Pendleton in another car. He received many bruises, a cut near one of his eyes and his hands were badly bruised. He will be back at work again in about a week and in the mean time is fortunate to have insurance against loss of working time from accident.

#### Car Badly Damaged

The doctor is more concerned about his car than himself, as he thinks about \$500 damage has been done to it. He will try to recover civil damages from McCarroll, but is doubtful whether a judgement could be collected. Pendleton papers say that the occupants of the McCarroll car were intoxicated and that it was due to this that the collision occurred. McCarroll had his driver's license revoked a year ago and will be tried now for violating traffic regulations.

The injury to the Prime car came on the left side where the other car struck it. The windshield and fenders were smashed and the side badly dented. Strangely the car did not tip over when struck. The McCarroll car was not badly injured except at the front end where fenders and springs were mashed.

## FREE METHODIST NOTICES

Our new pastor, Rev. J. K. Mumau, of Colville, Washington, will be with us the last of this week and will preach at Irrigon Sunday morning, and at the Mission opposite Hermiston hotel in the evening. Song service beginning at 7:30. He is a good man, a fine Christian and an exceptional preacher. Come out and hear him. Everyone welcome.

## STUDY CLUB HAS MEETING TUESDAY EVENING AT CHURCH

Members Entertain Husbands in M. E. Parlor; Men Want Affair Made an Annual One

One of the most interesting meetings of the year of the Study club was held Tuesday evening in the parlors of the Methodist church when the club members entertained their husbands. The evening was spent in visiting and amusing games and contests. Twenty were seated at the long table for lunch, during which toasts, singing and debates were indulged in. The men voted that the ladies make this event an annual affair. Everyone reported a very enjoyable evening. In two weeks the club will observe "Mother's Day."

## H. B. TO SPONSOR CHILD CONFERENCE

### LAST CARD PARTY IS A BIG SUCCESS

Home Bureau Room in Hospital Is Now Finished and Already Has a Patient

The Home Bureau will sponsor a school child conference early in May. It is the intention of the club to have every child in school weighed and measured, their eyes, ears, nose and throat examined, and a general physical examination given. There will also be a dentist in attendance. A competent committee of women will be in charge, assisted by Mrs. Edith Van Deusen, county demonstration agent. The exact date will be announced later.

At the last card party the Home Bureau entertained a large crowd, and everyone had an enjoyable time. 500 and whist were played, the high scores falling to Mrs. Nugent and Mr. McNaught of Hermiston. Those were about 32 guests from Hermiston and the Home Bureau was glad of the pleasure of entertaining these people and hope they may be able to do so again.

The Home Bureau room in the hospital is furnished and already a patient is in it. The furniture is very fine, and a great addition to the institution. The walls of the room are to be done in club colors, yellow and lavender. A Home Bureau pennant 4 feet long will adorn the wall and flowers will be supplied fresh each week.

The Ladies Aid of the Protestant church is very busy. They meet second and fourth Thursdays in each month, with a good attendance. A good many of the local people are joining the church and taking keen interest. Rev. Mr. Benson is the pastor and is very popular.

Mrs. Laura Jane Starcher who was formerly a resident of Umatilla and the first lady mayor of this city, stopped here to visit friends on her way to her home in Portland after spending some time at the home of her mother in Idaho. While in the city she was the house guest of Miss Agnes Falen.

The Umatilla school board is considering the advisability of hiring a domestic science teacher for the coming year as the Home Bureau has decided to discontinue handling the hot lunches.

Miss Laura S. Dunne of Pendleton spent the Easter holidays at the home of her sister, Mrs. Alice R. Nugent. She returned to Pendleton on Monday accompanied by her niece, Miss Gladys Nugent who will spend several days in Pendleton.

The Home Bureau held a chicken dinner at the Umatilla hotel on Sunday from 11:30 to 1 p. m. and served nearly 100 people. The menu which was very popular and greatly enjoyed, follows: Creamed chicken, a la king, mashed potatoes, escalloped corn, pickles, relish, strawberry preserves, jelly, hot home made Parker house rolls, lemon pie and coffee. The price per plate was 75 cents. About \$35 was profit, as the women paid for everything they served except the rolls and pie, which were donated. Many compliments were received by the ladies, and much credit is due the committee in charge.

The ladies aid of the Protestant church is to hold a cooked food sale at a date to be announced later.

Many home cooked articles will be for sale, and the sale will no doubt bring in a good sum for the treasury.

On Tuesday night a birthday party was given in honor of Muriel

(Continued on page four)

## WEST END TRACK MEET IS SATURDAY

### FOUR SCHOOLS WILL ENTER CONTESTS

Four Classes to Compete, Division Being by Weight; Girls to Have Several Events

The west end track meet of Umatilla county will be staged on the Hermiston athletic field on Saturday, April 29, commencing at one p. m.

The three best contestants in each event will be eligible to compete in the county meet at Pendleton on May 6. One week later, May 13, the eastern Oregon meet will also be held at Pendleton.

The order of events for Saturday places the folk dance first on the list. These will commence at one p. m. and will be staged on the lawn in front of the school house. The other events will start immediately after the dances are concluded. The later include the following:

#### Grade Division

Boys:  
Division A—25 yard dash and baseball throw.

Division B—60 yard dash, running high jump and running broad jump.

Division C—60 yard dash, running high jump and running broad jump.

Division D—100 yard dash, running high jump, running broad jump and 440 yard relay.

Girls:  
Division A—25 yard dash and baseball throw.

Division B—60 yard dash and baseball throw.

Division C—60 yard dash and baseball throw.

Division D—75 yard dash and baseball throw.

#### High School Division

50 yard dash, 100 yard dash, 220 yard dash, 440 yard run, 120 high hurdles, 220 low hurdles, 1/2 mile run, 1 mile run, shot put, discus throw, high jump, running broad jump.

In the grade contest, contestants are divided into four classes as follows:

Class A—70 pounds and under.  
Class B—100 pounds and under.  
Class C—115 pounds and under.  
Class D—Unlimited.

The following rules govern the meet; Each district is limited to two contestants for each event in the sectional contest.

All interest in athletics in the grades and high school is now centered in track work. The pleasant weather of the past week has been a great aid in permitting the contestants to put forth their best in preparation. The tentative list of high school entrants is as follows:

50 yard dash, Addleman, Haneline and Swayze; 100 yard dash, Boynton, Shotwell and Swayze; 220 yard dash, Neil, Swayze, Shotwell and Correll; 440 yard dash, Reid, Newport and Reubner; 1/2 mile run, Gordon and Winslow; 1 mile run, Gordon; 120 high hurdles, Winslow, Longhorn and Winesett; 220 low hurdles, Hall and Winesett; shot put, Waterman and Shotwell; discus throw, Waterman, Shotwell, Addleman and Winesett; high jump, Hall, Correll and Winslow; broad jump, Longhorn, Silvey and Stockard; 880 relay, Boynton, Shotwell, Haneline, Swayze and Correll.

Each contestant will be required to complete a training season of at least three weeks. Contestants must be weighed on the day of the meet.

Each participant must wear a tag showing to which class he or she belongs. No person in the grades will be allowed in more than three events, the relay not to count as an event in this connection. No person may run two laps of the relay race. Contestants in the high school division are limited to three track events, but may participate in any number of field events.

#### Folk Dancing

Girls of any or all grades are eligible. Groups presenting dance are limited to eight. Costumes may be worn, but points are awarded upon knowledge of dance and general effectiveness.

Judges for the various events will be chosen largely from among the business and professional men of Hermiston.

The general admission charge will be 25 cents for adults and children free.

## HANBY SELLS 10 ACRES TO KANSAS MAN

This week J. M. Biggs closed a deal for Henry Hanby whereby he transfers a 10 acre tract of land one mile southeast of town to S. S. Stover. The land is all in alfalfa and lays well on the south slope. Mr. Stover comes from Kansas and will take possession of the ranch at once. There are no buildings on the place.
