

UMATILLA BEATS HERMISTON AGAIN

LOCALS TAKE SHORT END OF 8 TO 5 SCORE

After Getting Flying Start With Four Runs in Third Inning, Game is Lost by Loose Ball

How They Stand	W.	L.
Umatilla	3	1
Echo	3	1
Hermiston	2	2
Stanfield	0	4

Sunday's Games

Umatilla 8 Hermiston 5.
Echo 11, Stanfield 0.

Portland is not alone in baseball misery this spring; Hermiston has a few of her own. For instance the game Sunday.

The weather was far from ideal cold and rather windy. Nevertheless the crowd was one of the best that has ever turned out for a game in Hermiston. With Umatilla tied with us for leadership in the league, the game meant much to both sides and the interest ran high.

Four Run Rally in Third

Neither side did anything in the first two innings and it looked like a tight game with a low score. Then in the third the trouble started. Logan Todd walked, Hiatt fanned, Longhorn hit safely, Harry Todd got on and Mitteldorf struck out. Then the scoring started when Carl Voyer hit a long fly to left. It was hard to handle and the Umatilla left fielder dropped it, allowing two runs to come in. Then Shesley and Hutchinson walked and two wild throws allowed Todd and Voyer to score.

With a four run lead things looked bright for Hermiston, but not for very long. The fourth passed quietly, but not so the fifth. Pound opened for Umatilla with a hit, Markham flied out to Voyer, a pretty catch well back toward the outfield. Compton was safe on error and Jones and Spinning hit. Hermiston blew up badly in this frame, but Phelps came to the rescue and fanned Markham for the third out. Three runs were scored by the visitors.

Umatilla Starts Things

Hutchinson scored in the sixth, but the two run lead lasted only until Umatilla came to the bat, for the boys from down the river started another attack in the "lucky (?) seventh and sewed up the game with three more markers. M. Markham, Compton and Jones were the lucky ones.

So the game went until the ninth, neither side doing anything in the eighth. Hermiston's hopes finally went glimmering in that frame when Umatilla added two more, Jones and Spinning scoring on errors by the home team. In the last of the ninth a Hermiston rally got under way with a walk by Harry Todd and a hit by Dave Mitteldorf, but Harry was thrown out trying to make third on it and the game ended when Carl Voyer was thrown out at first.

The game was close until the last inning and hotly contested all the way, but it was not well played. Both pitchers threw good ball and it was errors, not hitting, that ran up the score. Shesley and Voyer played an especially good game for Hermiston. Longhorn made a dandy catch of a long fly to left in the seventh when two men were on. It was from Spinning's bat and surely looked like a three bagger.

Can We Get Revenge?

Umatilla, while without outstanding stars was certainly there on all around play and outclassed the home team this time. There are still two more games to be played between Hermiston and Umatilla and Hermiston will fight mighty hard to change the looks of the standing when they meet again.

At the present time Umatilla looks like the best bet for the championship of the league. She is tied with Echo for first place as the Echolites stepped on Stanfield Sunday with an 11 to 0 score. Hermiston plays Stanfield again next Sunday at Stanfield and Echo and Umatilla meet again at Umatilla.

The lineup:	Umatilla
Hermiston	H. Todd 3b.
	M. Compton
	Mitteldorf cf.
	Voyer 1b.
	Shesley c.
	Hutchinson ss.

A number from Hermiston went to the track meet at Pendleton Saturday. In Mrs. H. R. Newport's party were Melba Callahan, Eldora Kingale, Marshall Newport and Frank Swayze, Jr.

UMATILLA WOMEN'S CLUB GETS TWO HOSPITAL SHARES

Directors Vote Thanks for Work in Equipping One of the Rooms Stock is Presented

The directors of the Umatilla hospital have voted unanimously to present two shares of stock in the enterprise to the women's home bureau as a testimonial of their appreciation to the women for equipping one of the rooms. The letter follows:

At a meeting of the directors of the Umatilla Hospital Ass'n. Inc. held on the 5th inst., your club was tendered a vote of thanks and appreciation for your generous and public spirited loan of the complete furnishings for one room of the hospital.

The directors of the hospital association would assure the ladies of the Home Bureau that their generous aid and support of this co-operative undertaking is highly appreciated and as a testimonial of our feeling toward the ladies club, the directors unanimously voted to present your club with a paid certificate for two shares hospital stock which certificate is inclosed herewith.

With sincere regards,
Umatilla Hospital Ass'n.
Mart Griffin, Secy.

M. E. LADIES AID HAS MANY PLANS

QUILTING BEE AND LUNCHEON PLANNED FOR MAY 17

Report That Organization is Dead Denied and Evidence of Life Submitted to Doubters

It has been reported that the M. E. Ladies Aid had died a slow death but judging from the work done in the last week and what is planned for the future it seems the report is false.

On May 3 an all day meeting was held at the home of Mrs. F. P. Phipps of Columbia. About 40 ladies were present and work was begun for their annual bazaar. A buffet luncheon was served at noon. Six men went out from town for luncheon and they certainly looked well filled when they returned. Several visitors were present and some new names were added to the roll.

Mrs. C. B. Hay, one of the most ardent members of the Aid, was present for the last time. She will be sorely missed as she has done so much for the aid and for the church.

At 1:30 the president, Mrs. H. M. Schilling, read a very instructive paper on the work of the peace conference. This was discussed for a short while after which the regular business meeting was held and plans made for work.

A special meeting was planned for the afternoon of May 10 at the home of Mrs. Peed when the ladies will make garden hats. These hats are very pretty and will be sold at a very reasonable price. A sample may be seen at the home of Mrs. Haneline and orders may be given for her as many as you wish.

On Wednesday, May 17 a quilting bee and buffet luncheon will be held in the church parlors. Buffet luncheon will be served at noon with a small charge of 25 cents.

It was decided to give a musicale during the first week in June. Some outside talent together with the most able of local talent will be secured and a delightful program is planned.

The ladies have offered a prize to the woman presenting the best plan for raising funds for the aid. This contest is open to any woman, whether a member of the aid or not.

These are only a few of the things that were planned but it certainly shows that if the aid is dead it is a very lively corpse.

E. P. DODD APPEALS FOR GOOD HOME VOTE

I have three men to defeat in the race for Joint Representative of Umatilla and Morrow counties. Two of these live at Heppner and one is a Pendleton-Pilot Rock man. The contest is active on all sides and I will need all my home votes. The home votes put me over three years ago and I hope it will be just as loyal as at that election.

The other candidates are good men but none of them are interested in the affairs of our home locality. I trust that the people here will come out to the poles on May 19 and vote. Friendly interest alone does not add anything to the tally sheet the evening after the poles are closed.

Hoping that we may again show our colors and assuring you of my warmest appreciation of anything you may do toward my nomination May 19 I am

Very sincerely yours
E. P. Dodd.

Mr. and Mrs. Wm. Leathers were Pendleton visitors Saturday.

SCHOOL CHILDREN GET PHYSICAL EX.

3 DOCTORS MAKE EXAMINATION OF UMATILLA STUDENTS

125 Children Are Weighed by Home Bureau Ladies; 118 Get Medical Tests Monday

The children of the Umatilla public schools have all been weighed and examined as a result of the initiative of the women of the community and the co-operation of the schools and the doctors and nurses.

Children Are Weighed

The work started Wednesday of last week when the Home Bureau ladies weighed 125 children. Of this number 69 were under weight and 30 over weight. On Monday the regular examination was held. The doctors in attendance were Dr. Ray Logan of Umatilla, Dr. Pierce of Portland and Dr. F. V. Prime of Hermiston. Dr. Logan examined heart and lungs, Dr. Pierce ears, eyes, nose and throat, and Dr. Prime teeth.

Some striking facts were disclosed. Of those examined 108 had unclean teeth and cavities, 54 had enlarged or diseased tonsils and adenoids, 37 needed corrective exercises to develop their chests, two had flat feet, 11 had weak eyes, four wear ears.

A score card will be given each parent. This will give the exact findings for the child. Parents have been requested to take steps to correct any defects before the opening of the fall term of school.

Hostesses Are Given

Nurses who assisted in the examinations were the Misses Kimmerrlin, Tress and Gould. The hostesses were Mrs. Bertha Cherry, Mrs. Esther Brownell, Mrs. Taylor Whitmore, Mrs. C. W. Sutton, Mrs. Edith Van Dusen had general charge of the affair and Mrs. Alice Nugent was manager.

METHODIST CHURCH NOTICES

Sunday will be one of special interest to Hermiston folks. The second Sunday in May is an international day set aside in honor of mother. The morning service will be in keeping with the spirit of the day, in honor of mother. Special music and sermon.

Come and wear a white flower. If mother is with you make it possible for her to be present. Mothers have a special invitation to accompany their children to Sunday school at 10 o'clock.

Sunday is also Baccalaureate Sunday. The high school Baccalaureate services will be at 8 o'clock in the evening. Special music by the high school and Male Quartet. Sermon by the pastor.

COMMUNITY CLUB MEETS

The Community club met on Tuesday, May 2. The current topics were led by Mrs. A. D. Crosland. Mrs. H. M. Schilling told of the definite accomplishments of the arms conference. The history and present government of China was given by Mrs. W. T. Roberts. The club also enjoyed a splendid parliamentary drill led by Mrs. Root. The club meets again on May 16 when the current topics will be led by Mrs. Thos. Campbell. City and school government will be spoken of by Mrs. Henry Sommerer. Mrs. J. K. Shotwell will tell of European and Japanese encroachments on China. Tea will be served. All ladies are welcome.

"FORBIDDEN FRUIT" TO BE HERE NEXT SATURDAY

Cecil B. De Mille's Great Paramount Picture Will Be Shown at the Play House

Cecil B. De Mille's latest Paramount picture, "Forbidden Fruit," which will be shown at the Play House next Saturday is said to be one of the most sumptuous productions with which the name of that master producer has ever been identified. The cast is unusually excellent.

The theme of the picture is a definition of "for worse" in the modern marriage ceremony. What are a wife's duties to a husband who steadily drags her down to his own lower mental and moral level? What course shall a woman follow when she is offered true love and the opportunity to climb to new and unguessed heights?

These are the questions Mr. De Mille asks and answers in "Forbidden Fruit." And through the story runs the golden thread of a charming romance. "Forbidden Fruit" seems destined to occupy a high place as a dramatic romance. Agnes Ayres has the leading woman's role.

APRIL HAS LESS RAIN THAN USUAL

PRECIPITATION FOR MONTH IS .42 OF AN INCH

Temperature Average is 46.2 Degrees or 4.7 Below the 10 Year Average, Figures Show

From weather records at the Umatilla experiment farm, the month of April this year show less rain fall than has been the average for the last ten years during which records have been kept at the station.

The total precipitation for last month was .42 inches as against an average of .72 inches since 1912. However this figure is identical with that of April 1921. The greatest rain fall of last month was on the tenth when .27 inches fell.

Weather is Colder

The average April temperature since 1921 is 50.9 degrees. The average last month was 46.2 or 4.7 degrees below the average. The highest temperature recorded was on the 21st with 78 degrees and the lowest on the 12th with 23 degrees. In April 1913 the thermometer reached 86 degrees, the highest ever reached in April and in 1917 it fell to 17 degrees, the lowest April temperature reached.

The greatest average wind velocity for the 24 hour period was 9.5 miles per hour on the eighth. The lowest average velocity was 1.0 miles per hour on the 21st. The average wind velocity for the month of April is 4.44 miles per hour. The average for last month was 4.7 miles per hour or .34 miles greater than the average.

Come and hear him.
Mrs. Barnard of Portland is here visiting at the home of her son, Sidney Barnard.

HINKLE SIDING MUST BE BUILT

COMMISSION ORDERS RAILWAY TO ACT IMMEDIATELY

Victory for Butter Creek Farmers Comes After Hard Fight; Hearing Was Held Here

The fight of the Butter Creek farmers for a siding at Hinkle was won last Saturday when the state public service commission in rendering decision on the question ordered the railway to build a six car siding within 60 days from the date of order.

To Hold Six Cars

The only disappointing part of the order is that only a six car siding is ordered where a larger siding is really needed. The order if complied with by the company will mean a siding in time to load this year's crops without having to haul them several miles farther into one of the neighboring towns.

The fight was a hard one and was warmly contested by the O. W. R. & N. The hearing was held at the Hermiston library on April 7 before Commissioner H. H. Corey. The complainants were Lee Savely, Ralph Richards, Pete Sheridan, Elmer Gamble, J. M. Richards, Thomas Richards, George L. Wurster, H. M. Moore, Allen Thompson, Charles Bartholomew, Fred Stelwer and Harold Warner appeared as their attorneys, while W. A. Robbins appeared for the company.

The findings of the commission follow:

That defendant has failed and refused to furnish adequate loading facilities for the accommodation of hay and grain shippers in the vicinity of Hinkle, Oregon;

That just and adequate facilities to be afforded would be a loading track sufficient to accommodate at least six cars at a time and that said loading tracks should be installed within the immediate vicinity of Hinkle, Oregon, or as nearly so as is consistent with good and safe operation of railroad trains and with due consideration of the track curvature;

That there is a tangent of approximately 1600 feet in length just north of the station of Hinkle, and in the event defendant does not find a location more suitable for its own convenience for maintenance and operation, the Commission suggests that the installation of the loading track be made on the said tangent.

Based on the foregoing findings, the Commission now makes its order as follows:

Order

It is therefore ordered that the defendant, Oregon-Washington Railroad and Navigation company, install and maintain adequate loading track facilities in the immediate vicinity and within the limits of Hinkle Station, Oregon, in conformity with the findings contained herein and which are hereby referred to and made a part of this order.

Sixty days from the date of this order is a reasonable time in which to comply with this order, and it is so ordered.

Dated this 6th day of May, 1922.
Public Service Commission of Oregon
By Hylen H. Corey and Fred G. Buchtel, Commissioners.
Attest: Wm. P. Ellis, Secretary.

IF WALLACE REID SHOULD OPEN CHARM SCHOOL

Popular Star Would Duplicate in Real Life What He Does in Film "The Charm School"

There can be little doubt that if Wallace Reid should open up in any town the sort of a school which is shown in his new Paramount picture "The Charm School," which will be shown at the Play House next Sunday he would get more pupils than he could properly care for.

Mr. Reid, in the star role of Austin Bevans, inherits a girls' boarding school from his aunt and believing that girls should spend more time in making themselves beautiful and less in preparing themselves for business and politics, he changes the methods of instruction and makes his institution a "charm" school, with esthetic dancing, swimming, athletics and beauty secrets as the principal studies.

A world of romance develops, and no wonder, with handsome "Wallie" as the principal and fifty beauties as pupils. This is one of the most delightful light comedies that has been screened for some time. Lila Lee is leading woman and an excellent cast supports the star.

PLAY HOUSE IS SOLD TO MORFITT

A. W. ADAMSON BUYS SHOW HOUSE AT ENTERPRISE

Deal Was Completed Late Last Week; New Proprietor Announces Cut of Five Cents in Price

After hanging fire for several days the sale of the Play House theatre to J. F. Morfitt by A. W. Adamson was finally completed late last week and the new owner is now in charge.

Adamson Goes to Enterprise

Mr. Adamson has bought the theatre at Enterprise and is now up there. He has had his eye on that show house for some time and had made two trips to that section before closing the deal. He gets the only theatre in a good town of 2000 people and is expected to make good by his friends and well wishers here. Mrs. Adamson stayed here a few days after her husband's departure to close up some matters.

A letter received by the editor of The Herald from Mr. Adamson this week reports prospects fine at Enterprise. The big lumber mill reopened since his arrival there and that is expected to add greatly to the business. Julian Morfitt, the new owner of the Play House is well known here. He is employed as bookkeeper at the Oregon Hardware and Implement company and will continue in that capacity. Mrs. Morfitt will handle some of the work connected with the management of the theatre.

Admission is Reduced

Mr. Morfitt has had extensive experience in the theatre business, both film and legitimate and the theatregoers here will wish for his success. His first step in taking over the Play House was one which will be appreciated by the public, a cut in the admission price from 25 cents to 20 cents. This is one of the first towns in the country to cut to below 25 cents and only better patronage can justify it.

VANDERBILT GROUNDS SHOWN IN "THE PRICE OF POSSESSION"

The Vanderbilt estate at Douglas, N. Y., served Hugh Ford the director, well for some of the exterior scenes for "The Price of Possession." Ethel Clayton's latest Paramount release which was shown at the Play House last Wednesday. The scenes at the famous estate represent the vicinity of Silvergate, Surrey, England, where part of Winfred Boggs' story is located. Other scenes representing Barton Manor were taken on the picturesque estate of George Ahrens at Port Chester, N. Y. Both of these country places made admirable locations for the outdoor scenes and both Mr. Ford and Miss Clayton, who have recently returned from England, remarked on the many characteristic features of the English landscape which can be filmed in New York State.

TO GIVE LECTURE

J. Frederick Taylor, eminent lecturer and traveler will present an illustrated lecture at the Baptist church next Tuesday evening, May 16. The lecture will include 150 natural color slides of California scenes, including orange groves, big trees, beaches and many from the famous Yosemite valley. Mr. Taylor has covered the great state to the south and promises an evening of highly interesting entertainment. The time is 8 p. m. and the admission is 25 and 35 cents.

LOCAL STUDENTS IN COUNTY MEET

HAROLD WATERMAN CAPTURES FIRST IN SHOT PUT

James Hall Takes Two Thirds in County Competition; Grade Students Take Points

A large number from here went to Pendleton last Saturday where high and grade school students from the entire county took part in the county meet.

Of course Pendleton took the meet by large margin, just as Hermiston did the west end meet a week before. Hermiston did get seven points, however, a first by Harold Waterman who came within a few inches of passing the eastern Oregon high school record. He heaved the weight 40 feet and 7 inches.

James Hall took thirds in the low and high hurdles. Both of these boys will compete in the eastern Oregon meet at Pendleton this Saturday. The grade pupils also had entries from here and from the Columbia school and took a good number of points.

Following is the summary of Saturday's meet:
