No. 5

YOUTHS WIN TRIP TO PORTLAND SHOW

C. P. ADAMS WINS SIX FIRST PRIZES HERE

C. C. Mason Has Grand Champion Sow; Many Other Awards Made

Three boys and girls from Hermiston won a free trip to the Pacific International stock show to be held at Portland next month with their exhibits at the Hermiston 10th annual Dairy and Hog show held here Friday and Saturday. They were: Leon Norquist, Lowell Stockard and Franco's Donaldson. James Waugman, Thomas Lenhart and Owen Hunt are the other prize winners.

C. P. Adams, local hog man, carried away six first prizes, four seconds and two thirds with his champions at the show.

The prizes as awarded following the judging by Judge Brunk of Salem were:

Class 1—Best boar one year and over, C. P. Adams, first; C. C. Mason second; J. F. McNaught, third.

Class 2—Best boar under one year, C. P. Adams, first; C. C. Mason, second; C. C. Mason, third.

Class 3—Best sow one year and over, C. C. Mason, first; C. C. Mason, second; George Strohm, third.

Class 4—Best sow under one year, C. C. Mason, first; C. P. Adams, second and third.

Class 5—Best boar one year and over, H. J. Stillings, first and second.

Class 6—Best boar under one year, T. Stillings, first and second.

Class 7—Best sow one year and over, H. J. Stillings.

Class 8—Best sow under one year, T. Stillings.

Class 9—Brand champion boar, C. P. Adams.

Class 10—Grand champion sow, C. C. Mason.

Class 11—Best sow and litter farrowed under 10 weeks, C. C. Mason, first; H. J. Stillings, second.

Class 12—Four hogs, either sex, any age, from one sire, C. P. Adams, first; C. C. Mason, second and third.

Class 13—Four hogs, either sex, any age, the produce of one sow, C. P. Adams, first; C. C. Mason, second and third.

Class 14—Best sow and litter farrowed on or after March 1, this year, Boar, Adams, first and second; Mason, third, fourth and fifth; Bellescamper, sixth—Mason, first; Adams second and third; C. M. Jackson, fourth; Mason and Jackson, fifth. Litter of four—Adams, first; Mason, second and third; Jackson, fourth; Bellescamper, fifth; Jewett, sixth.

Registered Dairy Cattle

In the registered dairy cattle, any breed, E. L. Jackson had the champion cow and the champion heifer. The grade dairy cattle were judged as follows:

Cow over three years, born before August 1, 1919, M. Brown, first; C. W. Tilden second; L. C. Dyer, third; F. M. Guivits fourth.

Cow born between August 1, 1919, and February 1, 1921, E. L. Jackson, first; L. C. Dyer, second.

Heifer born between April 1, 1919 and October 1, 1921, E. L. Jackson, first; Gilbert Whitsett, second.

Heifer born between October 1, 1921 and April 1, 1922, F. M. Guivits, first; George Root, second; James Wmslow, third; J. W. Campbell, fourth.

Get of sire, three or more animals, one of which may be a registered dairy bull, bred by exhibitor—A. W. Agnew, first and second; J. M. Bays, third.

Dairy herd, to consist of three or more cows owned by exhibitor—A. W. Agnew, first; J. M. Bays, second.

Young dairy herd, to consist of three or more heifers owned by exhibitor, A. W. Agnew.

Geneva, Pearl and L. Ginsinger won awards in the boys and girls chicken exhibit. First prize went to Geneva with her Rhode Island Red.

Following are the awards made Saturday morning in the dairy cattle division:

Class 1—Registered Jersey bulls more than three months old, C. W. Tilden, first; Charles Myers, second; and M. J. Bays, third.

Class 2—Bulls from one to three years old, H. Payne, first, and show championship; George Root, second; M. J. Bays, third; and S. R. Wilmot, fourth.

Class 3—Cows more than four years old, E. L. Jackson, first; A. W. Agnew, second; C. M. Jackson, third; and J. S. Dyer, fourth.

Class 4—Cows from three to four years old, M. J. Bays, first and third; J. S. Dyer, second.

Class 5—Cows from 20 months to three years old, George Boddow, first; F. M. Guivits, second; and M. J. Bays, third.

Class 6—Heifers more than 20 months old, F. M. Guivits, first;

SEASON OPENS ON CHINA PHEASANTS AT SUNRISE SUNDAY

Sunday morning at the first peep of the sun Mr. China Pheasant and his family in Umatilla county will have to seek shelter. Every morning for months he has chanted his song and feared nothing but Sunday he becomes a fugitive for two weeks. Every hunter in the vicinity will be on his trail and there will be many from other points. Already there are several parties from other parts of the state in the city and it is expected that by Saturday night Hermiston will have a third greater population.

Chinese pheasants and Bob White quail shooting season will remain open from Sunday until October 31. Five birds a day is the limit, or 19 during seven consecutive days; provided that not more than two female Chinese pheasants may be killed in seven consecutive days.

California valley, mountain and plumed quail are protected here.

CARAVAN DRAWS IMMENSE CROWDS

FORD SHOWS STOPS HERE SATURDAY AND SUNDAY

C. W. Kellogg, Local Dealer, Mayor McKenzie and E. P. Dodd to Greet Visiting Demonstrators

Advices from other communities throughout Eastern Oregon are to the effect that the Ford caravan is a real show, and one that is drawing immense crowds all along the line.

The caravan comes to Hermiston Saturday of this week, for its last appearance on the road during a tour of nearly four months. Remaining here Saturday night and for a greatly needed rest Sunday, the show will go straight through to Portland where a three days' program has been arranged as a complete windup of what is said to be the biggest and most unique traveling industrial exhibit ever undertaken in this country. In fact, the caravan has attracted national attention and has been featured in a number of automotive and power farming publications of national circulation and repute.

C. W. Kellogg, of the Hermiston Auto Co., is optimistic concerning the caravan's visit to Hermiston, as are many other citizens who have heard and read so much of the show in recent months.

"From an educational, entertainment and spectacular point of view," said Mr. Kellogg, "the caravan is all that is claimed for it. The mere fact of this vast amount of equipment having covered more than 3,000 miles under its own power is, of itself, worthy of comment, especially if one pauses to consider that this massive equipment has been transported in utmost safety over some extremely bad roads and highways. Added to its performance on the road the equipment has been subjected to all manner of stunt demonstrations, all, of course, intended to make the equipment break down under test. Thus, after covering a tremendous mileage on the highways and submitting to tests more severe than would be met in a lifetime of ordinary usage, the caravan comes to Hermiston unimpaired as to its efficiency, and ready once again to demonstrate its ability and durability under the most trying of conditions.

Plan Reception

The crew and officials of the caravan will be met a short distance from Hermiston by a reception committee consisting of Mr. Kellogg, Mayor McKenzie and E. P. Dodd, president of the Commercial club, who will escort and welcome the caravan to the city. This greeting will be acknowledged by J. D. Jordan, assistant manager of the Ford Motor Co. who is in direct personal supervision of the caravan.

"The people of Eastern Oregon are royal hosts," said Mr. Jordan, "and I am only sorry that the lateness of the season has made it unwise to risk keeping the outfit on the road much longer, for we have had to pass up several communities that we should like very much to have visited for a full day each. However, Hermiston is not one of the communities that we are unfortunately obliged to deny a showing of our great caravan, and I am very glad that it is so, for we had scheduled Hermiston from

KEEN INTEREST IN PENDLETON GAME

Oregon-Whitman Contest Expected to Draw Big Crowds October 20

Eastern Oregon football fans and residents of Hermiston are much interested in the coming game between the University of Oregon and Whitman College which is to be played in Pendleton on Friday, October 20.

Both teams have developed a surprisingly strong early season organization and the game promises to be a real battle. Whitman, with a powerful line and a veteran backfield, displayed unexpected strength against the University of Idaho in the recent game at Walla Walla when the Gem Staters were able to defeat the Missionaries only by a score of 3 to 0 which resulted from a drop kick by Fitzke. On defensive the Whitman eleven was tower of strength and the Idaho team was unable to pierce the line at any period of the game to any advantage. Coach Vincent Boleskie, of Whitman, states that in his belief by October 20 he will have a much stronger team than he had last year when he won the Northwest conference championship.

The University of Oregon eleven gives promise of being the strongest team the Eugene institution has had since the championship 1916 team, when it was rated as one of the greatest teams in the United States. Already it has a powerful backfield with two sets of backfield stars, either of which is almost equally dangerous. In early season games Oregon has shown that her team is to be seriously reckoned with in the coast football conference this season.

Plans are being made for a gala affair in Pendleton and indications are that the largest crowd that ever witnessed an athletic event in this section of Eastern Oregon or Washington will be in Pendleton on that date. Reservations are pouring in from every part of Eastern Oregon and Washington. The game will be held in the Round-Up park at 2:30 p. m. Railroad connections with the various towns are so that it will be possible at almost any point in Eastern Oregon to leave home and return after the game the same day. The big celebration will be closed with a dance at the famous Happy Canyon pavilion. Although open to the general public yet it will be a grand reunion of all former University of Oregon and Whitman students.

2275 STUDENTS REGISTER AT STATE UNIVERSITY

University of Oregon, Eugene, Oct. 12—When registration closes for the fall term at the University of Oregon this week, 2275 fulltime students will be in residence at Eugene, according to the estimate of Registrar Carlton E. Spencer. The enrollment Saturday, the close of the first week, was 2125. Late registrants are expected to bring registration to the 2275 mark, an increase of 11 per cent over last year's enrollment.

LARIATS REPLACE LINERIE AS SCREEN NECESSITIES

Compared with some of the namby-pamby bedroom frolics of the screen, it ought to be a real relief to see "Man To Man," a virile tale of the West starring Harry Carey, which comes to the Play House next Friday and Saturday as a Universal-Jewel special. A derelict in the South Seas fights his lonely way from the languorous tropics to the best saddle in Arizona—and that's a proper role for Carey's superb talent.

HERMISTON PLAYS COLUMBIA FRIDAY

TEAM IN EXCELLENT CONDITION FOR FRAY

Entire Community is Backing School in Coming Game; Contest Called for 2:30

Football will be king again Friday in Hermiston when the Hermiston High school team will do battle with Columbia College of Milton for gridiron supremacy. Two-times winners thus far in the season, the local boys are heavy favorites and if the staunch support and forecast of the townspeople means anything, they will emerge from the contest three-times winners.

The defeat of Pendleton, the first time that city's eleven had gone down vanquished in years, sent pigskin stock here soaring. The Commercial club immediately appropriated money to be used in buying equipment. Then came the overwhelming victory over Stanfield last Friday. The team and the people of the community have tasted victory. They are determined now to put Hermiston on the football map and if Coach Gralapp's boys perform in the coming game as they did against Stanfield they are sure to give a creditable account of themselves.

With one or two exceptions, the team is in excellent condition and if no bad luck strikes between now and Saturday the boys will go into the fray with the regular lineup.

In his front line of defense, Coach Gralapp has built around Smith at center a strong and fast line. And in addition they demonstrated Friday that they know football. In Shortwell, Haddock and Addleman in the backfield there is a smashing array of material. Every one of them can be counted on to plunge through for yardage and their open field running is on par with any high school backfield in the state. Captain Addleman's educated toe is dangerous to any team at any time. Rubner and Haneline, other backfield men, play a bangup game of football.

Columbia College is more or less of an unknown quantity here but reports indicate that they will present a formidable front.

The game is called for 2:30.

FILE ACTION TO DISSOLVE UNION HIGH SCHOOL NO. 5

Action has been filed in the circuit court by the district attorney for Oregon to dissolve Hermiston Union High school district No. 5. Dissolution of the district is asked on the grounds that it was formed fraudulently. The suit also asks that the board of directors be fined \$2,000 each.

According to W. J. Warner, local attorney, it will be some time before the case comes to a hearing.

Free Methodist Church Notice

Sunday school at 10 o'clock. Preaching at 11 o'clock by the pastor, J. K. Mhamu and preaching in the evening at Irigoin in the tent by Rev. F. R. Dawson who has been conducting evangelistic meetings with good results.

The Ladies' Altar Society plan to hold their bazaar and cooked food sale December 15.

FOOTBALL DATE IS CHANGED

The date of the football game between Columbia College and Hermiston High school has been changed to Friday instead of Saturday afternoon. Patrons will please note change of date as posters read Saturday.

\$263,000 AVAILABLE FOR M'KAY DAM

MAY MEAN PURCHASING OF SITE THIS FALL

New Amount Fills Out Original Budget Called for at Beginning of Fiscal Year. Says Schilling

The report made this week that \$263,000 is available for work on the McKay Creek dam has met with much rejoicing in this vicinity. Although it means only the filling out of the original budget of \$500,000 asked for in this district, it is just cause for gratification, according to H. M. Schilling, manager of the reclamation service here. He states that it may bring about a three or four months earlier start on the McKay Creek work and it is possible, Mr. Schilling pointed out, that it may bring about the purchasing of sites this fall which in itself require considerable time.

That the amount now said to be allotted to the McKay project is not actually new money set aside for this work but, rather it is ordering the budget called for by this district at the beginning of the fiscal year, July 1, filled, the manager explained. The original amount asked for was \$500,000. Later instructions were received by Mr. Schilling to cut his budget to \$237,000 which was done. The allotting of the \$263,000 to this project at the present time just supplies the sum that was previously ordered slashed.

PROJECT OATS SCORE FIRST AT GRAIN AND HAY SHOW

Irrigated Grain Takes Prize in Competition With Entire Pacific Northwest

In competition with the entire Pacific Northwest oats raised on the irrigated lands of the Umatilla Project scored first at the Northwest Hay and Grain show held at Pendleton the week of the Round-Up. The oats were grown on the P. P. Sullivan ranch just south of town and last Friday he received a check for \$20 from the fair association. Mr. Sullivan also had some corn on exhibition at the Dairy show which measured 16 feet in height.

DESTINY'S ISLE COMES TO THE PLAY HOUSE SUNDAY

Virginia Lee, George Fawcett and Others in All-star Cast

"Destiny's Isle," a Wm. P. S. Earle production, with an all-star cast, including Virginia Lee, Ward Crane, Flo Billings, George Fawcett and Arthur Houseman, will be presented at the Play House next Sunday.

The story, by Margery Land May, tells of the hurried flight of Tom Proctor (Mr. Crane) after witnessing Flo Martin (Miss Billings) in the embrace of his rival, Arthur Randall (Mr. Houseman). Rendered unconscious by an accident in his flight, Tom is found in his drifting boat by Lola Whitaker (Miss Lee), a girl on a neighboring island who dresses and nurses a wound on his forehead. Later, to shield this girl from unjust suspicion when Flo and her guardian (George Fawcett) find them together on the island, Tom declares the girl his wife. Flo confesses that she permitted Arthur's car to excite Tom's jealousy. Realizing she has lost Tom, she begins to persecute the island girl, and then schemes to discredit Tom. How Lola frustrates Flo's schemes and sacrifices her happiness to defend Tom brings the drama to a pointed and highly dramatic climax.

Attention! Ladies Aid

The M. E. Ladies Aid will hold an all day meeting at the home of Mrs. F. P. Phipps, on Wednesday, Oct. 18. All members and friends urged to be present as the fall work is to begin and the bazaar work is to be assigned.

A basket lunch will be served, this means that each lady take something to eat, then all food is put together and served cafeteria style.

Meet at the church, where cars will be ready for all who have no way of riding. Cars will leave at 10 o'clock.

REPORT OF WORK WATER CONGRESS

L. A. HUNT AND E. P. DODD TELL OF BEND MEETING

Irrigators Credited With Aiding Project Development; James Kayle Elected President

The irrigation congress, which held its annual meeting at Bend last week, has been a big factor in developing the irrigated regions of Oregon. L. A. Hunt, manager of the Hay Growers' association, told members of the Commercial club Tuesday noon at the regular luncheon in making his report on the irrigators convention.

"There can be no question," declared Mr. Hunt, "that the Irrigation Congress since its start has done much to further the interests of this and other irrigated districts."

E. P. Dodd, who attended the conference as a representative of the Hermiston Commercial club, brought back a very favorable report of the doings of the convention.

James M. Kyle of Stanfield was elected president of the congress for the coming year and Vale was selected at the next meeting place.

Other officers elected were Wilfred Allen of Grants Pass, E. S. Loge of Hood River, Harry Card of the Jefferson water conservancy district and Gus Schroeder of Silver Lake as vice presidents ranking in the order named; and Walter E. Meacham of Baker secretary.

Favor Commission

The resolution to favor the creation of a state reclamation commission abolishing the present system, was tabled, districts as a rule voting against the resolution and government or private projects voting for it. State Engineer Percy A. Cupper talked against the resolution, declaring that the present system is entirely satisfactory.

A committee to investigate the plan was authorized, to report at the next session of the congress.

The resolution favoring legislation to require the approval of the state securities commission on all irrigation contracts over \$1000 was referred to the legislative committee.

Resolutions passed were: Indorsing the Smith-McNary bill; an, encouraging widest publicity for Oregon potatoes, and asking Portland to match the rest of the state in financing displays; urging the state securities commission to act on North unit certification; favoring the common use of the Central Pacific railroad by any line wishing to enter to develop the Western country favoring an Oregon label for Oregon agricultural products; continuation of James M. Kayle and Fred N. Wallace on the Oregon development board; protesting legislation postponing the paying of reclamation funds to Oregon projects.

Slap Borah Bill

This resolution being aimed at the Borah bill, asking legislation giving the state water board control of under-ground waters; favoring a soil survey; asking legislation to modify the statute making irrigation district bonds a first lien, so as to permit the continuation of school fund loans; thanking Representative N. J. Sinnott for his participation in the congress; thanking the Madras people for entertaining the caravan at dinner; thanking the Bend Commercial club, the Elks lodge, the city of Bend and the press for their assistance.

For service to the congress and interest in its work, J. B. Gerking of Tugalo was voted life membership.

Space will not permit publication of the entire report of the development board that was made at the convention but the following are some of the highlights as brought back by Mr. Dodd and Mr. Hunt:

Urge Publicity Campaign

An annual publicity campaign extending \$100,000 was recommended and cooperative marketing was urged. Outstanding duties that are necessary in further development were recommended.

Lift the present market value of the irrigation bond.

Reduce to the very irreducible minimum the cost of reclaiming lands.

Get the system of selling lands to settlers on the most economical business basis possible of attainment.

Before a project reaches the construction stage, get impartial and competent judgement as to the land prices, plus water, which should be permitted.

Every possible acre of land within an organized project should be flatted at a given price for respective classes and with long terms for payment, before the state accepts it, this of course to apply to surplus lands above what land owners will cultivate.

Business and state influences
