Movie Show Radio Concert

The Ford Caravan has covered more than 3,000 miles in the state of Oregon. It has visited about 75 towns and cities. Everywhere it has been greeted with enthusiasm and the crowds have been as high as seven thousand or more. Hermiston is the last point to be visited before the caravan returns to Portland to disband, so if you miss the Hermiston Show you'll not have another chance to see this greatest of all industrial attractions ever shown in the state.
