Hermiston Defeats Stanfield
Hermiston High football team defeated Stanfield squad by a score of 20-0 on the Stanfield gridiron last Saturday.

This was not only the fourth game played but also the fourth victory scored by our boys this season.

Since the game with Stanfield three weeks ago in which Stanfield was defeated by a 59-0 score, Coach Galapp has been working up some new plays which he intended to spring Saturday by which he hoped to defeat our neighboring opponents by a greater score than before. But due to the fact that some of the boys broke training rules, Capt. Adleman didn't try the new plays and Stanfield, knowing the old line of plays was able to break them up thus holding the score 20-0 in Hermiston's favor.

Monday morning Coach Galapp gave the football boys a talk in regard to keeping the training rules. He explained the necessity of going to bed early and keeping regular hours for meals, using the results of the Stanfield game as an example.

Fad For Bobbed Hair Continues
Hazel Sutherland and Pauline Morris came to school Monday shorn of their fair and lengthy tresses. The craze for bobbed hair seems to have taken complete possession of the high school girls and we wonder daily who will be the next victim.

New Music for Orchestra
The Parent-Teachers association has promised to give the high school orchestra some new orchestration music. The orchestra is in need of this music for at present it has nothing but popular selections which are not suitable for all occasions. We are very grateful to the P.-T. A. for this assistance.
