**Merry Xmas and a Happy New Year**  
This is a busy old world and in the stress of our business affairs we sometimes forget to speak the word of appreciation and gratitude that is in our hearts. Hebe it is now to you — just a little word of thanks for the business you have given us during the past year and for the kindly co-operation extended.

We have endeavored, through conscientious service, to merit your good will and are finishing the year with a feeling that it is not what we gain but what we give that measures our worth to each other.

So here's to you a hearty hand-grip and a "Thank you." May the New Year hold a wealth of good things in store for you and at the end may 1923 be crowned with success.
