"Athletic Whispers"

The Hermiston tilters are still rejoicing over their victory of Friday evening over the Stanfield representatives, and are working hard now that they may be able to win in all coming contests.

Both the boys' and girls' games were fast and interesting and the onlookers were kept guessing all through the contests as to just which side would come out victorious.

Irwin Shotwell had the misfortune of having his arm dislocated in the game, but seems to be all the more full of pep for his experiences.

Mr. King of Echo and H. Reid of Umatilla were the referees for the games.

The game with Helix Friday promises to be one of the most exciting contests of the season, for Helix has two strong teams coming to Hermiston with minds made up to win.

In the game held at Helix a short time ago the local boys were victorious, while the girls were defeated, but all memories of past defeats are forgotten now and some real thrills will be afforded in the game Friday. Don't fail to be on hand.

Miss Derby is back at her post again this week after a brief illness with tonsillitis.

A Senior meeting was held Tuesday at which plans were discussed as to class pins, rings and other graduation necessities. A committee was appointed to decide on a class play.

The high school party given by

the boys of the student body last Saturday was a very enjoyable and lively affair and a large crowd of students were present to make merry with their school mates. A novel feature of the evening's entertainment was the shadow performance, a humorous surgical sketch, staged by a few of the boys. Games followed by a grand march was enjoyed before the lunch was served by "chefs" in aprons and caps. A short program of dancing was then the closing entertainment and all left feeling that a great deal of credit was due the boys for their party.

Miss Hazel Sutherland entertained a few of her friends at a delightful dinner party Sunday, the occasion being her birthday anniversary. Hazel did not disclose her age to the rest of us, but we all wish her many happy returns of the day just the same.

The student body is planning to entertain the basket ball teams of the Helix high school at a five o'clock supper before the games on Friday evening. An efficient committee under the leadership of Miss Briery and Miss Derby is now at work on the details of the entertainment and it promises to be a feature which will give the students of each school a chance to become acquainted and have a rousing good time together.

Miss Gertrude Hall was a visitor in school Monday. Gertrude has just returned from an extensive tour and has had many interesting experiences.
