HAY INSURANCE

MR. FARMER—
Now is the time to have your hay insured against a moral hazard. It has been cut down to one word, namely, "Fire," which can be caused from a number of things such as lightning, spontaneous combustion, and the careless smoker.
The cost is so small that you cannot afford to be without it.
You can always call a doctor after you are sick, but it is too late to call an insurance agent after your hay has burned.
