If You are an Eskimo You Don't Need our Metal Weather Strip

The Eskimo don't care for a little thing like zero wind blowing in his front door. But you are not an Eskimo, and you will appreciate the comfort our Metal Weather Strip gives.

Our Metal Weather Strip seals the doors and windows up tight, it keeps the cold wind out and the warm air in. Saves coal and keeps out dust. Prevents the rattle of windows and doors when the cold wind blows.

A dollar seventy-five to two dollars will make the average door or window cold proof. It's edging on to winter. Better get ready now.

REPAIRING, REMODELING or REBUILDING—ALWAYS GET OUR FREE ARCHITECTURAL SERVICE.

Occurrences of Interest Gleaned Here and There About the City and Neighborhood

Tin, Sheet metal work and Plumbing. Call 763. I. E. Putman. 11-11c.

A crew of men from the Reclamation service are employed in the preliminary of cleaning up before the start of the cement work of the A canal.

According to reports Henry Pelmulder, well known to Hermiston residents and a brother of Jay Pelmulder, of this city, has taken a contract to handle the Echo telephone exchange and look after all maintenance work on the lines. The consideration is said to be \$275 per month. Mr. Pelmulder will move his family to Echo.

The Community club will meet next Tuesday at the library. There will be papers by Mrs. Brownson and Mrs. C. M. Jackson.

Miss Zona Bensele left Sunday night for Cheney, Washington, to attend the normal school at that place.

Edith Reeves has accepted a position as clerk in the Mitchell Drug Co.

Lucille Sullivan and Phyllis Dyer left Saturday for Monmouth where they will attend normal this winter.

Mrs. Charles Taylor returned Saturday from Portland where she has been for medical treatment.

Mrs. Laura Morris and daughter, Pauline, of Helix, were week-end visitors here.

W. O. Sutherland has traded his property here for a ranch six miles from Lebanon, Oregon. Mr. Sutherland expects to move his family to the new home about the first of October.

F. L. Kelley left last Saturday for Ontario where he will have charge of the construction work for the Newport Construction Co.

Hugh Fases left Saturday for Eugene where he will enter the university of Oregon.

Neil Boynton and John Haddox left Thursday for Corvallis to enter O. A. C.

Ralph Davis, station agent at Boardman, was a Hermiston visitor last Monday evening. Mr. Davis was to have accepted a position with the railroad in their offices in Portland, but after considering the matter has decided to remain in Boardman. Mr. Goodwin, also of Boardman, accompanied Mr. Davis.

Mrs. C. B. Percey returned from Portland the middle of last week where she had been with her son Craig, who is attending business college in that city.

Hermiston was well represented at the Pendleton Round-Up all three days, and especially Saturday. On this day go where you may and you were sure to bump into some one from the old home town.

Miss Marlon Casady was hostess at a birthday party last Sunday. There were 16 of her young friends present. Games were played after which refreshments were served. It was her 11th birthday anniversary.

The Shotwell Construction Co. has completed their contract for the re-surfacing of about six blocks of streets in Umatilla. The equipment has been moved back to their headquarters in Hermiston.

"A Tempest in a Tub"

Aluminum
tub

THIS TUB IS MADE OF FINE
CAST ALUMINUM. WILL NOT
ROT, RUST, CORRODE, WARP,
SWELL OR CRACK. ABSOLUTELY
SANITARY. LIGHT. YET DUR-
ABLE. EASILY FILLED. EASILY
DRAINED.

The most sensational washer ever perfected. Water action amazes women everywhere. A new principle.

Maytag
Gyrafoam
Washer

Come in and see a free demonstration. Watch the amazing action of the water. Hear the gurgling, splashing, watery sound. Nothing like it was ever seen before. Thousands witnessing it every day throughout the country. Come in early.

To the woman who washes her own clothes—this offer is to you. Come in and see this new type of washer. It is new. It is different. It washes clothes better, faster, more carefully. The wonderful water action produced by the Gyrafoam does it. It's a "tempest in a tub." Never before has there been used such an astonishing principle. Words cannot describe this action. Pictures cannot show it. You must see it. Women everywhere are amazed.

ALUMINUM WILL NOT ROT, CORRODE, LEAK OR SWELL
