IRRIGON SCHOOL NEWS

We are pleased to announce that for the third year the Irrigon school will hold its Halloween carnival. It will be held on the evening of Nov. 3 and in the school building this year instead of the gymnasium as formerly. Admission is free. Every room will participate in a free literary program after which refreshments will be sold. We believe in keeping a good thing going and improving it as we go. We are expecting a larger crowd from Umatilla, Hermiston, and Boardman than ever before. Those who have been attending we feel will surely need no encouragement to come again this year. Don't forget the date.

Miss Winifred Stewart, daughter of Mr. and Mrs. Chas. Stewart, and Mrs. Lyle Seaman, son of Mr. and Mrs. N. Seaman, were married on Saturday, Oct. 20. Mrs. Seaman will attend school in Irrigon, she being a prominent member of the junior class.

Ben Howard of this city preached in the community church on Saturday evening and also Sunday morning.

Miss Blanche Powell, the primary teacher, was away on business Monday and Tuesday of this week. Mrs. Lyle Seaman is taking her place during her two days' absence.

Mrs. N. Seaman and daughter Margaret were Pendleton business visitors last week end.

Mr. and Mrs. Beecher Lewis of The Dalles, were Irrigon visitors Sunday. They were accompanied by Mrs. Geo. Hendrick and son Jay. Mrs. Lewis was a former student of the Irrigon high school and is now attending school in The Dalles.

Miss Hazel Smith, daughter of Mr. and Mrs. Samuel Smith, was married to Mr. William Norcross Oct. 22 at Heppner. The newlyweds were entertained Monday evening at the home of Mr. and Mrs. R. S. Lamoreaux by their friends with an old fashioned chivaree. The young couple will make their home in Irrigon.

Lyle Seaman, a last year graduate of the Irrigon high school, went to Portland Sunday to attend the Adcox automotive school.

The Eversharp pencils to be awarded to those who secured subscriptions to the Country Gentleman arrived Monday morning and were distributed during the assembly period. Those receiving pencils were: Vivian Adams, Raymond Lamoreaux, Reva Randsel, Leola Benefield, Margaret Seaman, Walter Warner, Robt. Smith and Winifred Seaman. The number of subscriptions taken was 47.

The school has received and installed a set of ball bearings for the swings on the play grounds, which is certainly an improvement over the old swings.

The volley ball net has been put up and the small children as well as the large ones get a great deal of enjoyment during the play time.

Basket ball practice will start soon and it is hoped that the girls team will be able to play better than last year. The boys it is feared will not be able to play this year on account of the shortage of players.

It is believed that by spring the school will be able to put in a tennis court.

Halloween Social Columbia School
The Columbia school will give a Halloween program beginning at 8 P. M. that evening. Games have been arranged for both children and parents after the program. The children will be entertained in the primary building. This will be followed by a ghost social. The object of the social will be to raise funds for the furthering of music and athletics in the school. To make the social a success the ladies are asked to bring a well filled box and the men are asked to slip a few extra chips and whetstones in their pocket books.

HERMISTON HAS BROOM FACTORY

A broom factory has been added to Hermiston's industries. Jess Gossage has installed the broom making machinery in a part of the Oregon Hardware & Implement Company's warehouse on Hurlburt avenue. The brooms will be sold on the local market and Pendleton.

For Your Ford— Exclusively!

FOR years, folks lubricated their Ford cars—many still do—with the same oils that other folks used in Buicks, Dodges, Locomobiles and a host of other cars—correct oils for those cars, perhaps, but not for the Ford.

The only oil that will perfectly lubricate the Ford should be made for the Ford—exclusively. That's why Veedol Fordol was created.

Stop and let us refill your crankcase with Veedol Fordol. The smooth operation of your car will make you feel a new respect for your compact little motor.
