

### Some Things We Do

All the facilities of our Bank are for you. If you do not use them it is through no fault of ours. We issue drafts, make collections, make out your leases and other papers, acknowledge documents, pay your taxes, keep your books and render statements monthly, give advice in business deals and investments, safeguard your funds, make loans, write insurance, in fact help you in every way we can if given the chance.

ed on the official ballot: REFERRED TO THE PEOPLE OF THE CITY OF HERMISTON BY THE COMMON COUNCIL.

Charter amendment limiting the assessment, to be levied for street improvements to the actual cost thereof as apportioned to the property benefited and to authorize the council by ordinance or agreement with property owners to provide for paying all or part of any street improvements from the general tax funds.

Vote Yes or No.  
400 Yes.  
401 No.

The full title and text of such measure is as follows:  
**ORDINANCE No. 111**  
An ordinance to amend subdivisions 11 and 14 of Section 102 of the Charter of the City of Hermiston and to submit and refer this ordinance to the voters of said City for the approval or rejection.

The City of Hermiston does ordain as follows:  
Sec. 1. That subdivision 11 of section 102 of the Charter of the City of Hermiston be, and the same hereby is amended so as to read as follows:

Subdivision 11. No lot, part thereof or parcel of land shall be assessed for any local or special improvement in excess of the actual cost of such improvement as apportioned to said land and in just proportion to the cost of the entire improvement of the local improvement district in which such land is situated, except upon the express consent of the owner of such land, or his duly authorized agent, first obtained in writing.

Sec. 2. That subdivision 14 of Section 102 of the charter of the City of Hermiston be, and the same hereby is amended so as to read as follows:

Subdivision 14. Where the estimated assessment against any lot, part of lot or parcel of land for any local improvement appears to the common council as excessive or out of proportion to the special benefits to be derived by the property by reason of such local improvement, and where the improvement of a street in any local improvement district appears to the council to be of general benefit and value to all the inhabitants of the city, the common council may, by ordinance appropriate a sufficient amount from the general tax or special tax funds of the City to pay for so much of the cost of such local improvements as shall not be provided for by assessment upon the property specially benefited by such improvement, and the council may, by agreement with the property owners in any local improvement district, provide for payment by the City of a just and fair proportion of the cost of improving any street or roadway within the City. The council shall also have the power and authority to create a special fund of the City for the purpose of paying all or such portion of any street improvement as it may deem just and fair to the City and to the property owners specially benefited thereby, and also for the purpose of keeping the streets so improved in repair. The council may by ordinance whenever expedient or necessary to complete any street improvement undertaken by it, authorize the issuance of warrants in payment thereof and fix the terms and conditions of payment by the City and by the property owners specially benefited by any such improvement.

Sec. 3. All acts or parts of acts in conflict herewith are hereby repealed.

Sec. 4. This ordinance shall be referred to the voters of the City of Hermiston for their approval or rejection at the next regular or special election to be held in said city. Passed the Council this 17th day of October, 1923.  
Attest: C. W. Kellogg, Recorder.  
Approved by the Mayor this 17th day of October, 1923.  
R. C. Todd, Mayor.

Sec. 2. The City Recorder shall cause to be posted in three public places in said City of Hermiston at least 30 days before the date of said election, a notice thereof and of the time and place of said election.

Sec. 3. The City Recorder shall cause to be published in the Hermiston Herald a complete copy of this ordinance together with the ballot title and ballot number of said measure which publication shall run in two issues thereof consecutively within the 30 days prior to the date of said election.

Sec. 4. That Thos. Campbell, Ed. Comegys and Henry Hitt are hereby appointed judges of said election and J. S. West and P. B. Sisco are hereby appointed clerks of said election.

Sec. 5. That whereas it is necessary and desirable that some of the streets of the City of Hermiston be improved before winter and it is necessary for the preservation of the peace, health and safety of the inhabitants of the City that this ordinance be in effect at once, an emergency is hereby declared to exist and this ordinance shall be in full force and effect from and after its passage by the Council and approval

by the Mayor.  
Passed the Council this 17th day of October, 1923.  
Attest: C. W. Kellogg, Recorder.  
Approved by the Mayor this 17th day of October, 1923.  
R. C. Todd, Mayor.

**We Are Not So Fast.**  
Frank Hussey ran 100 yards at a speed of about a third of a mile a minute. It's not uncommon for an airplane to go ten times as fast—and keep it up for hours.  
Our bodies are weak and slow. We re-enforce them by mechanical devices, our brains bridging the gap. Radium can laugh pityingly at our mechanical speed. It constantly throws off particles of itself which shoot into space at a speed of 750,000 miles a minute. That's the fastest thing in the line of moving matter, but it's slow alongside light and other ether vibrations.

**British Motorship Building.**  
Britain's motorship building is increasing, with 23,000 tons more than a year ago. Lloyd's Register shows 118 motorships, aggregating 327,232 gross tons, under construction. Almost half that tonnage is credited to British yards, with Germany, Sweden, Denmark and the United States making up the bulk of the remainder. During the last year launchings of motor vessels from British yards totaled close to 175,000 tons.

**Ford Four-Door Sedan**

Fully equipped, \$685, f. o. b. Detroit

Inside and out, the new Ford Four-door Sedan shows improvements of far more than usual importance. It is lower and sturdier in appearance. New cowl, hood, radiator and apron add size and finish to the front. Sun visor, and wide, well-finished aluminum doors with bar handles perfect the design of the body. Silk window curtains, deep broad-cloth upholstery; dome light, door lock, window regulators and handles, all finished in nickel, complete a refinement you would expect only at a far higher price.
