Recent Bride Honored

Several very delightful social
events were prompted by the recent
marriage of Miss Emily Shotwell
and Mr. Schuyler B. Edwards, of Port
Townsend, the first one being a bridge
party and shower at the home of Mrs.
Arnold Gralapp January 7. Mrs.
John Alexander and Mrs. Gralapp
proved themselves lovely hostesses,
and for a dry country, the shower
was quite wonderful. The following
Saturday a bridge luncheon was given
in her honor by Madames Dodd,
Kellogg, Straw and Swayze at the
home of Mrs. Dodd. Covers were ar-
ranged for 21 guests and the tables
were most attractive with effective
candle lighting and appropriate de-
corations. Tuesday last Mrs. Dr.
Hilsley and Mrs. E. P. Hilsley en-
tertained the Baptist ladies at a mis-
cellaneous shower for Miss Shotwell.
The following poem written by Mrs.
Dr. Hilsley will in part explain the
afternoon pleasure:

Towels and towels, you'll need
galore,
So mother and I laid in a store
Of dish towels, hand towels, and
dish cloths too
And invited these ladies to hem them
for you.

Now open this package and pass
them all around,
And let not an idle hand be found.
For the time is precious and days
are few,
When we all must bid you a sad
adieu.

But you'll ne'er forget us we know
quite well
For these old towels will last you a
spell
And in one of the corners in color
so bright,
You'll find an initial in very plain
sight
Of one of our number, a friend fond
and true,
Who took all these stitches and made
it for you.

Eskimos Sing to Jury.

An odd method of settling lawsuits
is practiced by some of the remoter
tribes of Eskimos.

When two natives wish to settle a
dispute each collects his family and
friends to assist him, says the Detroit
Free Press. The parties meet at an
agreed time in the biggest hut in the
village and proceed to sing literally at
each other.

The plaintiff's party chant a series
of rough verses insulting the defendant
and everything that is his. Then comes
the rival party's turn, and for the next
hour or so they are allowed to sing at
their enemy, putting their insults into
some sort of meter.

The old men of the village act as
judge and jury, and the verdict is
given to the side which, in the opinion
of the aged experts, has compressed
the largest amount of insult into the
best verses and the most noise.

The Hermiston basket ball team
went to Stanfield Saturday night
and met with both victory and de-
feat. The girls team was defeated
by a score of 25 to 9 and the boys
won 14 to 6. Neither team played
its usual brand of ball. The Helix
girls' and boys' teams play Hermis-
ton at Hermiston Saturday night.
The student body will serve a dinner
for them before the game.

The operetta, The Fairy Rose, was
very successful although the attend-
ance did not do it justice. Miss
Compton gave the children good
training and they all knew their
parts well. The proceeds were not
sufficient to meet the payment due
on the piano this month. We need
the piano badly and if the high
school, grades and the community
will cooperate we will be able to
make the payments and keep the
piano.

The high school leap year party
which was given Friday night, Jan.
18, was well attended. Games,
dancing and card playing were the
entertainments. Refreshments were
served at 10 o'clock so that the bas-
ket ball boys and girls could be in
early.

Mr. Campbell is presenting the
high school and the grades with boxes
of apples. The grades used sixteen
boxes last week. We all appreciate
Mr. Campbell's thoughtfulness.

The high school debate schedule
begins February 16 when Hermis-
ton will meet Fossil. On the same
date Pendleton and Milton, and At-
lena and Helix will debate.

The House of Representatives
(civics class) held the first meet-
ing of its session Monday morning.

with Hugh Walker as speaker, Earl
Bensel clerk, Lenore Dyer page,
Madge Quick was the Senate and
Everett Parker president. A dead-
lock occurred in the house when
Mr. Winslow, chairman of commit-
tee on appropriations, reported the
Upham Bill appropriating \$20,000
to schools. Mr. Swayze, chairman of
the committee on ways and means,
declared that this was a fabulous
sum to expend on the brainless
younger generation. The bill at last
had to be laid on the table. Several
other bills of general interest were
read, such as an appropriation of \$1
to furnish Mr. Swayze with cough
drops, for it was assumed that he
would need them after his oratorical
attempts.

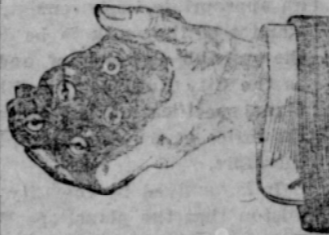

The members of the Forum met
Thursday morning and elected the fol-
lowing officers: President, Wallace
Reid; vice-president, Eleanor Briggs;
secretary-treasurer, Edith Mikesell;
sergeant-at-arms, Howard Reid;
critic, Hugh Walker; reporter, Gladys
Whitsett. Mr. Guilfoill continues to
be faculty advisor. The members of
the Forum hope to make this body
continuous in the high school.

Friday at 3 o'clock the eighth
grade boys and girls will play a bas-
ket ball game with the Umatilla
eighth grade at Hermiston. Mr. Ben-
sel says they are praying for suc-
cess. Let us hope they play as hard
as the pray.

Mr. Day has announced to the
grades that the local declamation
contest will be held about the first
of March.

The first grade attendance has in-
creased from fourteen to twenty-nine,
which means that there are still
eleven children who have the meas-
les or colds.

The
New Touring Car
\$295 F.O.B. DETROIT

A Striking Value—at \$295

Considering the improved
appearance of the new
Ford Touring Car, one
would naturally expect a
proportionate advance in
price.

Larger scale production,
however, has made it pos-
sible to incorporate in this
new type touring car a
number of decided im-
provements without in-
creasing its cost to the
purchaser.

A comparison extending
over a long period of years
will reveal the fact that
the present price is actu-
ally the lowest at which
the five-passenger open
car has ever been sold.

The Ford Touring Car
stands today, as it always
has, a most remarkable
value in the motor car field.
