HERMISTON'S HOUSE OF QUALITY AND SERVICE

IF WINTER COMES-- CAN SPRING BE FAR BEHIND?

Repair your flumes and drop boxes NOW.

Get your Screen Porches and all Farm Buildings in shape. The man that has these things done when the spring work starts is always ahead of his work, running his farm, and not being run by it.

We have stocked through the winter for the Flume and Repair business, and will assist you in every way possible to do this work in the best and most economical manner.

LADIES

If in need of a coat, suit, dress, skirt, blouse, material by the yard, made to measure corset, underwear or hosiery, see the new spring styles at Mrs. Emma Johnson's, second house east of Catholic church. 23-2p

O. M. Heacock, of Enterprise, was in Hermiston Monday night. Mr. Heacock manufactures a radio set. Monday night he installed one in the lobby of the Hermiston hotel and advertised a free concert. A large number enjoyed the entertainment.

Mr. and Mrs. Ferdinand Kraft, who were one of the pioneer settlers of the project are visiting in Hermiston.

At present there is not a house in Hermiston that bears a for rent sign. All of them are filled and people looking for houses.

Judge Phelps has handed down a decision giving the plaintiff, Clara M. Johnson, possession of land that has been occupied by H. E. Sheasley.

Jack Smith is confined to his home on account of sickness.

Thieves broke into the shooting gallery sometime last week and stole a dueling pistol. Mr. Savage, the owner, prized the gun very highly as it was a relic given to him by a sea captain who had procured the pistol in Spain. Mr. Savage had left the first part of the week for his home in Echo. Upon his return Thursday he found the back door had been pruned open and the gun missing.

Remember the entertainment given by the Neighborhood club at the Columbia school house next Saturday evening at 8 o'clock. Admission will be 25 cents for adults and 10 cents for children in the grades.

The Rebekah lodge will serve a cafeteria supper Saturday March 8 in the I. O. O. F. hall. The public is invited. 23-2c

Christian Science Services
The Christian Science services are held in rooms next to the Auditorium every Sunday at 11 o'clock. Sunday school at 10:15. All are cordially invited to attend.

SNAPPY BUYS

20 ACRES WELL IMPROVED, BEST land, \$750 cash, value \$2250; easy terms.

20 ACRES, HOUSE, STABLE, FENCED, small tract in alfalfa, \$1000. Terms.

10 ACRES, HOUSE, BARN, CLEAR, ed, ready to go; \$600.

Have several good trades from other parts of Northwest.

Vol. 2 No. 20

Both of Hermiston's debating teams were victorious in their word battles last Saturday night. The affirmative team, Hugh Walker and Earl Benschel, were not even courteous enough to give the Fossil girls one vote to mitigate their defeat. Our affirmative team won by a unanimous decision. Frank Swayze and Wallace Reid, after a pep killing, all day journey arrived in Fossil just in time to do battle. Being tired they fought against odds, but were victorious, winning by a two to one decision. Credit is due to the fine spirit in which Mr. Guilfoil molds the teams. Whatever success our teams may have in debate will be because of his guidance, while our losses will be suffered only as our debaters fail in profiting by his instructions. We must also extend our thanks to those who acted as judges. You ought to hear our teams "shoot the breezes."

The grade program was given on Thursday night, February 21. Last year Mr. Benschel arranged for a family ticket for one dollar. This was so successful that the same plan was used this year. This ticket makes it possible for any one family to be admitted for one dollar. Single admission was fifty cents. The money taken in at the program will be used to make payments on a phonograph and records and playground equipment for the grades. All the grades except the fourth took part in the program. Some of the first and second grade children presented a Dutch dance. The third grade gave a Creek drill. The fifth grade girls gave a drill and the boys an Indian dance. The sixth grade contributed a Swiss dance and a representation of a modern ideal school. The 7th grade gave three playlets entitled, "The Beauty Doctor," "Uncle Hiram's Cold" and "The Train Tomorrow." The eighth grade gave a mock trial

mythe versus Smith.

Someone left an umbrella at the school house last Saturday night. It is still there but may not be if the owner doesn't call for it soon.

The Echo girls defeated our girls Friday night for the second time by a score of 22 to 18. It was a hard and exciting combat. The boys game was remarkable because of the fact that neither team could hit the basket. The third quarter ended with Hermiston leading 6 to 4 and at the end of the game we were on top 15 to 9. Next Friday we go to Athena for the first long trip of the year. The Athena teams are very strong and we will have a hard fight.

The eighth grade basket ball teams played at Stanfield Friday. The girls won and the boys lost. The eighth grade girls are keeping up the Hermiston girls reputation by making up for the high school girls losses in basket ball this year.

Miss Compton has returned from Walla Walla and will begin work on the high school operetta "The Wishing Well," the first of next week.

The high school and eighth grade had a short program Friday, the 22, in honor of Lincoln and Washington. The Seniors have begun to make plans for their class play which will probably be given during commencement week.

We have been taking our six weeks exams and some of us return from classes with long faces.

All the students visited the Community club art exhibit at the Hermiston hotel Wednesday.

The seventh grade was defeated by the eighth grade Friday in a spelling match.

The seventh and eighth grade had a valentine box together Thursday.

The New Touring Car

\$295

F.O.B. DETROIT

A Striking Value—at \$295

Considering the improved appearance of the new Ford Touring Car, one would naturally expect a proportionate advance in price.

Larger scale production, however, has made it possible to incorporate in this new type touring car a number of decided improvements without increasing its cost to the purchaser.

A comparison extending over a long period of years will reveal the fact that the present price is actually the lowest at which the five-passenger open car has ever been sold.

The Ford Touring Car stands today, as it always has, a most remarkable value in the motor car field.

This Car can be obtained through the Ford Weekly Purchase Plan

Kellogg & Schimke

SALES TRUCKS TRACTORS

Did You Ever Try to Draw Lemonade Through a Broken Straw?

Or you men—Does a cigar draw well when the wrapper is broken?

Just the same with a range. How can you expect it to work well when the air which is supposed to come up through the fire, leaks in through gapping joints in the range body?

To avoid leaky joints, Monarch Ranges are built with every joint riveted—the steel held tight and solid to the iron parts. But to rivet the joints of a range, a tough, unbreakable kind of iron has to be used. Monarchs are built of malleable iron. The other kind of iron will not stand close riveting necessary for permanent tightness.

No stove patty is needed to make the Monarch tight. It stays tight forever, and gives the same satisfaction after many years' hard use as when new.

We are proud to sell Monarch Ranges. Come in and see them. You will be surprised that the prices are so very reasonable.
