

The Road to Wealth

They say that Economy is the road to Wealth, and it is true. Ask those who have succeeded—they will tell you.

Not struggling, grasping miserly economy, squeezing every dollar until the eagle squalls—oh, no, not that. But by determining to live within your income, by paying as you go, by denying yourself the things you cannot afford, and by keeping your funds in a reliable bank like ours, where your money is SAFE. That's the way to succeed.

While eggs have brought a good price during the past two months, poultrymen state that the margin of profit is small from the fact that feed prices are steadily advancing. One of the large poultrymen of the Willamette valley writes to the state market agent that with feed at three cents per pound the smaller henlayers will not be able to get by and he advises that the poultrymen take up the matter of a general warehouse and the buying of feeds in carload lots.
