

Appreciated Patronage

Honestly now, don't you like to do business where you feel that your patronage is appreciated? Of course you do—we ALL do.

The little matters of personal attention are pleasing. That's why we all strive so hard to please at this Bank. We know how it goes, for we appreciate courtesy and kind treatment the same as others. We are all just plain folks, moved largely by the same impulses. We try to give our customers personal, painstaking service, and above all, we try to safeguard all funds entrusted to our care.
