

Be An Optomist

An optomist, you know, is the fellow who doesn't kick because there is a hole in the doughnut.

The farmer was an optomist when declaring that crops had nearly all failed but rejoiced that broomcorn was selling at \$180 a ton. Asked how much broomcorn he had out, he said: "Not a blamed hill—but I am going to put out 60 acres next year." That is the way to act. Never admit defeat.
