We have been in Hermiston for about two years and are not yet acquainted with all the townpeople or ranchers, but having moved to a new and more convenient location, we ask all to come and see and get acquainted with us, our little store and cream station, our prices and ways of doing business.

We thank all of our old patrons for their past business, and trust that each one will follow us to our present place in the building formerly occupied by the Cozy Corner restaurant, on Main street.

Flies Coming In Swarms

Are Your Screens Doors in Good Repair?

Don't make the mistake of thinking you can finish the season with old doors. Flies are always worst in the late summer and fall, and poor screens are where they get into your home. Come in and let us show you at what a small cost you can secure new screens, thus freeing yourself from the dangerous and troublesome fly.
