LOOK OUT FOR SELF POISONING

Neglect of the liver results in self poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of hepatic digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach or constipation.

Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.

Send It To The Laundry

Science proves that it is very unhealthy to dry clothing indoors, especially during damp or stormy weather when pneumonia is more or less prevalent.

The Domestic Laundry offers the following services:

1—FINISHING DEPARTMENT

Our new and modern equipment makes it possible for us to turn out a grade of finished work that is a source of pleasure to our many customers.

2—ROUGH DRY

Needs no introduction. Our rough dry patrons have more than doubled in the past two years.

3—THRIFT-SERVICE

Is the name of a new department, which is meeting with great popularity. The flat work, both towels, handkerchiefs, etc., are ironed carefully and ready to use. The wearing apparel is returned damp but woollens are dried so that no possibility of shrinkage exists. This service is being offered at 5c per pound plus 1c per piece.
