KINGSLEY'S

HERMISTON'S HOUSE OF QUALITY AND SERVICE

LOCAL AND PERSONAL BREVITIES

Nicholas Codd of Spokane, president of the Hermiston Light and Power company, was a business visitor here last Thursday.

Mrs. L. A. Phelps and Mrs. C. C. Durfee were hostesses at a bridge party which was given Thursday afternoon, May 6, at Hotel Hermiston. Five tables of bridge were in play during the afternoon. Mrs. Frank Guivits and Mrs. Curtis Simmons were the prize winners.

Mr. and Mrs. Willard Brown of Pendleton were Sunday guests at the home of Mr. and Mrs. Julius Gimble. Mr. Brown is Mrs. Gimble's father.

Ross Newport of Portland was a visitor here Monday for a short time. He was en route to Pendleton.

L. L. Mann, candidate for the republican nomination for state senator, was a visitor in Hermiston Monday. He has a long record of service in the house of representatives. He served three terms beginning in 1909 and then later, beginning in 1923, served in two more legislatures. Mr. Mann is a wheat farmer. All of his previous experience has been in the house, and he is now seeking the senatorial nomination.

R. O. Hawks, county assessor, was a visitor in Hermiston Monday.

Mrs. W. L. Hamm returned last Friday from La Grande where she attended the state convention of the Federation of Women's clubs. She was a delegate from the Hermiston Community club. Those in attendance from Umatilla, either as delegates or visitors were Mrs. W. R. Nugent, Mrs. Marie Knudsen and Mrs. J. M. Llewellyn. The convention was largely attended, according to the delegates.

Mrs. F. P. Phipps has returned from Portland where she spent several days as the guest of her daughter, Miss Laura Phipps, who is a student nurse at Emanuel hospital.

Mr. and Mrs. W. L. Leathers returned yesterday from Portland after a visit. They were accompanied by Mrs. Peters, cousin of Mrs. Leathers. The return trip was made by way of the Mt. Hood Loop highway.

F. F. Wisenor and W. L. Hamm went to the Deschutes river Tuesday on a fishing trip. They brought back three nice salmon that they managed to inveigle into being caught and reported a fine trip.

Charles H. Marsh, former county judge, while here Tuesday with a Pendleton delegation, grew reminiscent in respect to his experience with Hermiston workers while in office. "Every month without fail Hermiston had a delegation up to the session of the county court asking for some improvement of some sort. You always came and always asked for plenty, and got a part of what you sought. The county court thought enough of your plan that we used it in dealing with the state highway commission, and it worked very well."

I. M. Schanep, county judge and a candidate for the nomination at the hands of republicans for another term, was a visitor in Hermiston Wednesday in the interests of his candidacy. The judge owns some land and is interested in farming operations. He said if he gets the nomination and is reelected this fall he expects to go ahead sawing wood at the same rate during the future as he has followed in the past.
