**BOARDMAN SPUD GROWERS PLAN TO MAKE SHIPMENT**

J. W. McMullen and H. T. Fraser were Boardman visitors Monday afternoon and made arrangements with growers of early potatoes there for starting shipping this year's crop. Growers of the Boardman district expect to have between six and eight carloads of the early tubers this season. Shipment will be made through the Three Rivers Growers' association.

It is expected that one carload will move from Boardman early in the week. Plans are now being made to ship a carload out of Hermiston in sacks the latter part of this week. A carload packed in lugs was shipped out of Hermiston last week by Ellis & Kelkka.

Editor and General Manager WILL ROGERS

**Meeting the "Bull" Durham Smoker Face to Face**

I am just making, as the Politician says, "A swing around the Circle," to see what was going on in "Real America." I had been in New York so long, I was getting a kind of a Sub-way "Slant" on things. I was becoming as narrow as a Metropolitan Newspaper Editorial Writer. My eyesight was getting so poor I couldn't see beyond the Hudson River, and my mind wouldn't function farther away than Albany, N. Y.

I knew that New York was "amusing the world," but I wanted to meet the fellow who was "feeding it." I am kinder oddly constituted. You can cut off my amusement, but if my food stops you are going to, have an argument on your hands.

I, as Editor and Proprietor of the Bull's Eye, wanted to meet not only the readers, but the consumers of THIS Wonderful Product of OURS. (The American Tobacco Company and me.) Well, I wish you could see the type of Men they were, Big fine healthy upstanding He-Men. They were not the little Anemics that has to tap his Cigarette on the box before he can smoke it. They were our Producers of our Necessities of Life. When I saw the type of He-Men smoking "Bull" Durham, it almost made me cry, that I wasn't a smoker myself.

Will Rogers  
P.S. There will be another piece here a few weeks from now. Look for it.

**"NO WONDER EVERYBODY'S TALKING ABOUT KARNAK"**

Was Badly Rundown But This Medicine Built Him Up As Strong As A Bull, Says Utah Salesman.

H. Petersen  
Karnak is sold in Hermiston by Mitchell Drug Company, and all leading Druggists.

"I don't wonder everybody is talking Karnak so—why, this medicine just took hold of my troubles and drove them right out of my system," declares H. Petersen, 423 Douglas St., St. Lake City, popular traveling salesman.

"I was in such a badly rundown condition I had all the symptoms of the 'flu'. I felt dull, sluggish and no good at all. My nerves were on edge, I had some fever, too, and my appetite left me entirely.

"Well, I got Karnak, and I'm just like a new man from head to foot now. I eat as I please, am full of new life and energy, and just feel as strong as a bull. Tell 'em to see me about Karnak."

**A "Correct" Likeness of Washington**

This heroic statue of the commander-in-chief of the first armies of the United States was made for the city of Portland, Oregon, though not yet delivered there by the artist. The western municipality has loaned it to the Sesqui-Centennial International Exposition, opening in Philadelphia June 1 and continuing until December 1, to celebrate 150 years of American independence. At the foot of the sculpture is shown Pompeo Coppini, the sculptor. Dr. Henry Waldo Poe, of Portland, declares the face to be the most correct likeness of Washington ever modeled.
