

Your Future Independence

Many a man unconsciously signs his own Declaration of Independence the day he opens a Savings Account.

The initial deposit may be small but by adding to it regularly a sum will be created that means eventually independence for life.

Can you conceive of a more fitting time than this to open your Savings Account.

HERBERT HOOVER TURNS SPADEMAN

The Secretary of Commerce turns up first spadeful of dirt at ground-breaking ceremonies for emergency hospital on the grounds of the Sesqui-Centennial International Exposition in Philadelphia. The exposition will commemorate the 150th anniversary of the signing of the Declaration of American Independence. At the cabinet member's right is Mayor Kendrick of Philadelphia. The hospital will be conducted by physicians and nurses from the Philadelphia General Hospital.

THE SESQUI FROM THE AIR

An idea of the size and scope of the Sesqui-Centennial International Exposition, which will be held in Philadelphia from June 1 to December 1, to commemorate the 150th anniversary of the Declaration of American Independence, is given in this photograph. In the foreground is the great Municipal Stadium, which seats 100,000 persons. North of the stadium can be seen two of the vast exhibition buildings. The first is the Palace of Agriculture and the second the Palace of Liberal Arts. Opposite the latter building is the big auditorium, which seats 20,000 persons on a single floor. To the left of the stadium can be seen the world famous Indian building, the Taj Mahal.
