

## Smart New Rumble Seat For Sport Roadster

Rumble seats are justly popular. They add a smart, rakish touch to roadster lines, and increase the carrying capacity by two passengers.

That Dodge Brothers Sport Roadster now provides this convenience, will be welcome news to thousands.

Like the main seat, it is deeply upholstered in gray Spanish genuine leather, and the seat back is high and well pitched, providing unusual comfort. When closed, the rear compartment is absolutely waterproof, even in rainiest weather.

Ample space is provided behind the main seat for golf clubs, suit cases, tennis rackets and similar luggage.

Brilliant pheasant green lacquer body and hood, strikingly in contrast with the tan top, black fenders and full special equipment, complete a general color scheme of exceptional dash and charm.

## A TIP CONCERNING YOUR CHICKEN HOUSE

Anticipating chicken house business for the late summer and fall, we secured a complete stock of material for this business early in the spring. This stock has been in the yard for the last five months and is now thoroughly dry.

This gives you a stock that will build an absolutely tight chicken house at the same price as green lumber would cost. You cannot afford to take a chance on using green lumber for a chicken house when we will guarantee the stock that we furnish not to shrink.

Sunday services at the Baptist church August 15—Bible school 10 A. M., morning worship at 11 Theme, "Proper Relations Between Material and Spiritual Values." Evening service 8 P. M. Theme, "The Obedience of Faith." Come and worship with us. A. J. Ware, pastor. Christ alone is the head of the church—by his truth to instruct it; by his authority to govern it; by his grace to quicken it; by his providence to protect and guide it; by his Holy Spirit to sanctify and bless it; the source of its life. Wisdom, unity, peace, power and prosperity dwelling with it here on earth and preparing its faithful members to dwell forever with him in heaven.
