

A Good Name

priceless and therefore jealously upheld - - -

Dodge Brothers have kept the faith. Year after year their motor car has continued to mature into a better and better product.

Beauty has been added to dependability, comfort and silence to beauty. Endless refinements have been made, and the basic sources of Dodge Brothers quality maintained in every detail.

As a consequence, the NAME Dodge Brothers is even more valuable than the great Dodge Brothers plant itself, and eminently worthy of the public confidence it everywhere inspires.

The public may rest assured that a Good Name so priceless will be safeguarded jealously by those who hold its destinies in their hands.

A TIP CONCERNING YOUR CHICKEN HOUSE

Anticipating chicken house business for the late summer and fall, we secured a complete stock of material for this business early in the spring. This stock has been in the yard for the last five months and is now thoroughly dry.

This gives you a stock that will build an absolutely tight chicken house at the same price as green lumber would cost. You cannot afford to take a chance on using green lumber for a chicken house when we will guarantee the stock that we furnish not to shrink.
