

# Fourteenth Annual Hermiston Dairy and Hog Show

Premium List and Rules

OCTOBER 8-9, 1926

\$1200.00 in Cash Premiums

### INFORMATION TO EXHIBITORS

The Dairy and Hog Show is held primarily for the purpose of encouraging more profitable production of good cows and hogs and the most important agricultural products grown in irrigated districts. In distributing the premium money the directors have emphasized the products of most importance.

Competition is open not only to Umatilla County but to the Northwest in general.

No entry fee charged. The Association will provide alfalfa hay and bedding free of charge, the exhibitor to furnish any other feed desired. Reliable men will be in charge of the stables at all times and will feed for exhibitors on request.

The exhibitors of swine are requested to make applications for number of pens wanted so the management can give the best possible service. Pens are about 8 by 8 feet.

The Association will have experienced milkers, who, upon request by the owners, will milk all cows while on the grounds, free of charge.

Premiums—Premiums will be designated by ribbons: Purple and Blue, Grand Champions; Purple, Championship; Blue, first; Red, second; White, third.

Awards will be paid by check and mailed to the exhibitor's address not later than November 1, 1926.

Board of Managers—H. J. Stillings, President, A. W. Agnew, P. P. Sullivan, Vice-Presidents; C. M. Jackson, Secretary; Harry Straw, Treasurer; Enos Martin, Assistant Secretary.

### RULES OF ENTRY

Rule 1. All applicants for entry must be made on printed forms and in accordance with instructions on same. These forms, properly signed are to be filed in the office of the Secretary of Hermiston Dairy and Hog Show Association on or before October 7 at 4 P. M., at which time entries close. In all cases the right is reserved to reject entirely or accept conditionally any entry or application for entry.

Rule 2. All stock entries must be on the grounds by 1:00 P. M. October 7th.

Rule 3. To be eligible for competition animals must be the bona fide property of exhibitors.

Rule 4. In all contests of registered stock the papers of registration must be filed with the Secretary not later than 6:00 P. M. October 7th, if so requested.

Rule 5. Each exhibitor or assistant must be in charge of his entry during the hours of judging and demonstration under authority of the judges.

Rule 6. Exhibitors of live stock must report to the Superintendent in charge at 9:00 o'clock A. M. for orders. They must also inform themselves from the Superintendent of the division when their stock will be judged. Stock must be in the show ring promptly after being called, with proper entry tag attached.

Rule 7. All exhibitors of live stock shall be required to parade their stock when requested by the management. An exhibitor who fails or refuses to comply with Rule 5 and 7 forfeits all claim upon the Board.

Rule 8. If any discrepancy is shown to any award or to awarding committee, by the exhibitor or his agent, he shall forfeit all awards made to him, and the officers in charge shall report the same to the Board at its first subsequent meeting. Should a premium be found to have been obtained by false evidence, or misrepresentation, or a violation of any of the above rules, the money will be withheld by the secretary.

Rule 9. Men in charge of the stock are strictly prohibited from making any remarks regarding the stock, unless information is requested of them by the Judges or Superintendent. Attendants infringing on this rule will be excluded from the ring by the Superintendent.

Rule 10. Exhibitors will at all times give the necessary and personal attention to whatever they may have on exhibition, and at the close of the show must take entire charge of their property and remove promptly. Every exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal exhibited by him, and shall indemnify the Association against all legal or other proceedings in regard thereto. The Hermiston Dairy and Hog Show Association will take every precaution in its power for the safe preservation of stock and articles on exhibit, and all property of every character entered for competition or display, or for any other purpose, or being anywhere on the grounds, shall be subject to the control of the Hermiston Dairy and Hog Show Association, but in no case will the Hermiston Dairy and Hog Show Association be responsible in any way for any loss, damage or injury of any character to any such property while the same is on the grounds, or at any other time or place. If the property owners or others interested in property desire protection against loss, or damage or injury from fire or other cause, they must make their arrangements therefor. No Officer, Trustee, Superintendent or Employee of the Hermiston Dairy and Hog Show Association has authority to suspend or change this Rule.

Rule 11. No animal or article deemed unworthy shall be awarded a premium, and no premium shall be awarded merely because there is no competition. If the article is not worthy the first premium, it may be awarded a lesser premium, and where there is but a single exhibitor in any class, the judge may award but one premium.

Rule 12. Boar tusks must be removed.

### RULES GOVERNING MILKING CONTEST.

Note—Under Superintendent of Cattle, Division by R. F. Wilbur, Conductor of Test.

Rule 1. All entries must be on blanks furnished and the same must be filed with Hermiston Dairy and Hog Show Association, Hermiston, Oregon, on or before 4:00 P. M. October 7th.

Rule 2. All entries must show the breed, registered name and number of cow, if same is registered, together with actual age and date of last calving.

Rule 3. All cows entered in the contest must be on the grounds not later than 4:00 P. M. October 7th, 1926, and shall be milked clean in the presence of the Conductor of the Test at 6 P. M. of that day.

Rule 4. Cows shall not be milked to exceed twice during twenty-four hours of the testing period. Hours of milking to be 6 A. M. and 6 P. M.

Rule 5. Cows may be fed and handled at the option of the owner, except that no condiments or drugs may be fed, and only pure water given to drink.

Rule 6. The Conductor of the Test shall be at and throughout each milking, and shall at once take entire charge of the milk yields of each cow, and shall exercise such precautions as will positively secure said milk from being in any way changed, and proceed to take fair samples of the product of each cow for the purpose of determining by means of the Babcock test the exact contents thereof in butterfat.

Rule 7. The results so determined shall be scored or reckoned by figuring the butterfat at the market price on the last day of the test, and the value of the skim milk determined by figuring the price of the same at 25 per cent of the price of rolled barley on that day. These tests shall continue for two days.

Rule 8. Rule for lactation handicap: To half the amount of butter produced in two days add as follows, after deducting the first 40 days from calving, one ounce from each completed 10 days up to 160 days from calving, and after 160 days from calving, one-half ounce for each completed 20 days, and limiting the number of lactation ounces to 15 1-2, thus covering a normal lactation period of ten months.

Rule 9. Rule for age handicap: Multiply the total number of ounces obtained by adding the ounces for the performance and the ounces resulting from lactation handicap by 360 and divide the product by 250.5 plus one-tenth for each and every day the cow is over two years old at the beginning of the test up to five years.

Milking Contest.....\$15 \$12 \$8 \$6 \$4

### DIVISION A—DAIRY CATTLE

A. W. Agnew, Superintendent  
L. C. Todd, Assistant Superintendent in charge of Jersey Cattle  
J. M. Prindle, Assistant Superintendent in charge of Holstein Cattle

(Animals of different breeds do not compete against each other.)  
See rules of entry beginning on page three.

Best Market Lamb: 1st, \$3.00; 2nd, \$2.00; 3rd, \$1.00.
- Garden Club—  
Best Five Varieties of Vegetables: 1st, \$3.00; 2nd, \$2.00; 3rd, \$1.00.

### America's Greatest Horse Show

Miss Clementine Lewis and "Highland Lassie"

The Horse Show programs of the Pacific International Livestock Exposition at Portland, Oregon, will begin this year on Saturday night, Oct. 30th. They will be continued each evening of the following week, starting Monday, with matinees Thursday, Friday and Saturday.

The Exposition, housed in its ten-acre building, is the largest of its kind in the world and the ribbons tied there are considered equal or superior to honors achieved elsewhere.

\$100,000.00 in prize money is distributed during the week of which the Horse Show alone offers \$32,500.00, the largest amount ever placed in any premium book. The Olympic Hotel of Seattle \$4,000.00 stake for five-gaited horses also sets a new high mark for distribution in a single class.  
No such aggregation of hunting and jumping events has ever been scheduled in the West and the entries are better than at any previous Horse Show.  
In all probability there is no single institution that has been instrumental in adding so materially to the development of the Northwest as the Pacific International Livestock Exposition. Many millions of dollars in value have been added to the livestock industry by its organized effort to improve breeds and breeding methods. The exhibitions held in Portland present an unparalleled opportunity for judging results and gathering data for the furtherance of future developments.  
All railroads are making a round trip rate of a fair and one-third for the Exposition. Visitors should not fail to ask local agents for particulars.

### Millions in Pearls

This pagoda, a part of the Japanese exhibit at the Sesqui-Centennial International Exposition in Philadelphia, celebrating the 150th anniversary of the signing of the Declaration of Independence, is made entirely of pearls and its value exceeds \$1,000,000. The exposition continues until December 1.

### Coloma, City of Gold, Pathetic in Its Ruin

Coloma is an unknown name today, but three-quarters of a century ago every American able to speak had it at his tongue's end. There that New Jersey adventurer, James Wilson Marshall, discovered gold in January, 1848, and started the rush of fortune seekers from all the world to California, a writer in the New York Sun recalls. Coloma grew quickly to a town of ten thousand inhabitants and boasted of all the luxuries that a pioneer could demand. A stranger wandering among the hills of El Dorado county recently rediscovered it. He found a country store and a post office in the midst of a cluster of deserted shops and houses. The mail carrier said that in the whole country there were scarcely a hundred and fifty persons. In the graveyard on the hillside was the only reminder of Coloma's fame, a memorial to Marshall, the bronze statue surmounting it pointing to the place of California's first gold discovery.  
Coloma had dreams of magnificence in the early fifties. Coloma then had a dozen hotels, a street lined with stores, a hundred saloons, as many wide-open gambling places and dance halls, an express office, three schools, four churches and a jail. The shells of the dance halls, the saloons and the gambling places remain. The churches and schools passed generations ago. The jail that had housed the bad men, the killers and crooked gamblers long ago fell into ruins.

### Samoan Native Still Believes in Old Oath

White men who introduced the system of plotting land and the surveyor's methods of defining boundaries, brought with them to Samoa the white man's method of administering oaths.  
So, officially, the native Samoan places his hand upon the Holy Bible to swear that title to a certain piece of land belongs to him.  
But those who have lived there long know that, at heart, the native does not have the degree of fear when an oath is taken upon a Bible that he had for the old Samoan oath. Where grave issues are at stake he is apt to discard the modern form for the old one.  
While the old manner varied in the different villages the common rite was to take a bunch of grass and lay it on a stone or other object that represented the family or village god.  
The contesting parties would say with hand resting on the grass, "In the presence of this whole assembly, I lay my hand on the grass. If I have declared falsely may I suddenly die."  
It often happened that one making a false oath would be seized with superstitious fear that would overcome him or cause him to confess.  
The meaning of the grass was that, should the oath be false, he and his entire family be exterminated from the face of the earth and their habitation covered with grass.

### Cause of "Cold" Mystery

In spite of all attempts to determine the specific cause of the common cold, the cause remains unknown. A cold, as the doctors explain it, is a catarrhal inflammation of the lining of the nose, mouth and throat. It is held by some to be due to infection with some peculiar germ which as yet there's any blame to be fixed it belongs to the husband. I think she was entirely justified. Any woman in her place would have done the same. I don't care if the meals were late. She loved him and that made it all right." No, gentle reader, this isn't the sort of marital difficulty you suspect. The husband of the woman who spoke the foregoing, exclaimed: "But any woman that wastes all afternoon on a Pekinese is a good-for-nothing bum, and any man who stands for such nonsense, deserves to get indigestion."—Philadelphia Record.

### On the Trolley Car

On board the trolley car which piles between the Sixty-ninth street terminal and Easton a man and wife were in earnest conversation. The man had been speaking in subdued tones when his wife burst out with: "She wasn't. She wasn't to blame. If there's any blame to be fixed it belongs to the husband. I think she was entirely justified. Any woman in her place would have done the same. I don't care if the meals were late. She loved him and that made it all right." No, gentle reader, this isn't the sort of marital difficulty you suspect. The husband of the woman who spoke the foregoing, exclaimed: "But any woman that wastes all afternoon on a Pekinese is a good-for-nothing bum, and any man who stands for such nonsense, deserves to get indigestion."—Philadelphia Record.
