

Liberty Bell Savings Banks

A supply of the famous Liberty Bell banks has been received and is available for the use of our customers who have savings accounts.

An initial deposit of one dollar in savings entitles the depositor to receive one of these beautiful banks. The banks are replicas in miniature of the Liberty Bell that played an important part in the history of our country.

The practice of putting spare funds in the Liberty Bell banks for deposit in savings has blazed the trail to independence for many.

RADIO REPORT OF FINAL TUNNEL BLAST HEARD HERE

Mr. and Mrs. Jackson Harr were among the Hermiston district residents who listened in with interest to the program last Friday night over radio which marked the opening of the Moffitt tunnel in Colorado.

President Coolidge touched the button which set off the final blast in the tunnel, and Mrs. Haar said the sound of the explosion could be distinctly heard about 8:10 o'clock.

The tunnel, first dreamed of as a possibility about 65 years ago, shortens the distance between the east and the southwest by about 300 miles.

"We formerly lived near there," said Mrs. Harr, "and for that reason the program was particularly interesting to us."

FUNERAL FOR BOARDMAN WOMAN HELD ON MONDAY

Funeral services were conducted Monday afternoon at 2 o'clock in the Boardman church for Mrs. Mary L. Wicklander, well liked Boardman woman, who died Friday at St. Anthony hospital in Pendleton. The services were conducted by Rev. S. Hamrick, pastor of the Methodist Episcopal church here.

Mrs. Wicklander was born at Reed City, Michigan, April 16, 1889. Her marriage was solemnized November 4, 1905. She and her husband moved to the Boardman district six years ago. They were the parents of nine children, six of whom, with the husband, her father and one brother, survive.

The infant after whose birth the mother died, was buried with her. Mrs. Wicklander was public spirited and gave ungrudgingly of her time and effort in civic work. The funeral was very largely attended.

HADDOX GRAPPLES TO WIN IN 145 POUND CLASS, O. A. C.

Oregon Agricultural College, Corvallis, Feb. 24—John Haddox of Hermiston, sophomore in commerce, won the 145 pound class match in the sophomore-freshmen wrestling match. Fans say that Haddox is fast and aggressive.

Interclass wrestling was begun this year to enable more men to enter wrestling competition. To keep alive the interest in this sport H. P. Carlie, wrestling coach, devised this scheme as there are but few amateur teams on the coast to schedule matches with.

Haddox is a member of the Sigma Pi, national social fraternity.

PETER JACKSON DIES AT HOME IN WOLF CREEK, MONT.

Peter E. Jackson, a brother of C. M. and E. L. Jackson of Hermiston, died Tuesday at his home in Wolf Creek, Montana, according to information received by relatives here yesterday.

Mr. Jackson was about 52 years old, and his death followed failing health that extended over a period of four years. He lived here for a short time about four years ago, then went to Longview where he managed a lumber yard for the Long-Bell Lumber Co. for about a year. He then went to Montana in an effort to improve his health.

Besides his wife he is survived by three daughters and one son. Funeral services will be held Sunday in Utica, Montana.

EARLY SPRING ENCOURAGES PLANTING OF GARDEN SEED

The springlike temperatures that have prevailed for a number of days have stimulated local gardeners to early season activity, and quite a little of early planting has already been done.

E. L. Cherry showed early season form last Saturday when he broke a fork handle while turning over dirt in his garden to plant early peas.

Ralph Brownson lost a little extra time at golf in order to put out some early peas.

Jens Skovbo planted some early potatoes last Saturday, and Grant Bailey is another early potato grower who has been busy. Only the hardest vegetables have been planted yet in this district, but seed catalogues have been in style for some time.

PROPOSED NUISANCE TAX MEETS OPPOSITION IN CLUB

A proposed bill in the legislature which would provide for extra revenue from a nuisance tax on tobacco in all its forms drew the attention of the commercial club at its meeting Tuesday.

Henry Hitt called the attention of the club to the measure and pointed out that the labor of collecting the tax, if the measure should pass, would fall upon the retail merchant. A motion was carried expressing the club's opposition to the measure, and the secretary was instructed to send a telegram to the members of the county's delegation asking them to oppose the bill.

"For Hire" Carriers to Pay More

"Anywhere for hire" trucks, and passenger automobiles not designated as common carriers will be required to pay an additional amount of 50 per cent over their regular license fees under the terms of senate bill passed by the house. The bill also removes the owners of commercial travelers' cars from the class of machines having to pay this extra amount. Heretofore, "anywhere for hire" machines paid on a capacity and mileage basis, as have common carriers operating between fixed points.

The house killed a bill which would have provided that the state highway commission have jurisdiction over all highway signs erected in the state. Opponents held that it might prohibit communities from erecting signs tending to draw traffic in their direction.

Following a vigorous attack by representatives from many corners of the state, a house bill providing for pre-primary party conventions went down to defeat in the house.

Compulsory liability insurance for automobile owners was voted down in the house.

A bill proposing to change the method of appropriating school money by basing it on the number of elementary school teachers employed instead of on the basis of school census, was defeated in the house.

State to Build Grade Crossings

The house, by a vote of 31 to 27, passed a senate bill which would place the cost of grade crossings on the state highways entirely on the state highway fund, whereas at present it is borne jointly by this fund and the individual county in which the crossings are constructed.

The house, after voting against a senate bill providing for the licensing of persons to practice and teach "metabolic therapy," reconsidered

A senate bill making insanity grounds for divorce went down to defeat in the senate. Sixteen senators voted to sustain an adverse report on the measure.

Automobile license fees are to be made the subject for a study by a committee of five senators during the next two years with a view to recommending to the next legislative session a schedule of fees providing for a more equitable distribution of the license tax, particularly as between new and old cars.

The free text book bill was indefinitely postponed in the senate when an adverse report of the committee on education was adopted. The bill provided for purchase of books by the school districts if so voted by the people.

Sheriff's Salary Bill Killed

Senator Upton's general salary bill for sheriffs was indefinitely postponed and killed in the senate on adoption of an adverse committee report. It provided that the sheriffs be placed in six classes with salaries ranging from \$2750 to \$5000.

By practically unanimous vote, the senate passed the bill providing that members of the public service commission should be appointive instead of elective as they now are. The appointments would be made by the governor.

A bill providing that tax levies in Oregon be made as of January 1, instead of March 1, one of the measures presented by the special committee that studied taxation during the last two years, was killed by indefinite postponement in the senate on adoption of an adverse committee report.

A bill introduced by Senator Moser authorizing the appointment of a superintendent of the state penitentiary also was approved. Under this bill the superintendent of the prison would appoint a warden and deputy warden, subject to confirmation by the state board of control.

A resolution referring to the voters' question of repealing the interest guarantee law as it affects irrigation and drainage districts was indefinitely postponed.
