LOCAL AND PERSONAL

BREVITIES
Occurrences of Interest Observed Here and There About the City and Neighborhood

The Neighborhood club announce that the park will be open to the public on and after July 4.

Julius McCoy who farms near Stanfield was a Hermiston visitor today.

Miss Marion Briggs went to La Grande Monday morning where she is one of the instructors in the summer normal session.

Mrs. H. R. Passwalk, son Hubert and daughter Laura, are here from Provo, Utah, as guests at the home of her sister, Mrs. C. W. Kellogg.

Mrs. M. D. Scroggs and four boys of Sunnyside, Washington, are here as guests at the home of her parents, Mr. and Mrs. Thomas Campbell.

Jack Watson, brother of Harry Watson, has gone to Portland for medical attention and an operation on his hand.

Mr. and Mrs. J. M. Biggs and two sons left Wednesday afternoon for Portland where they will remain as guests of relatives for several days.

Mrs. Herbert Shesely and Mrs. W. L. Hamm and two children left Tuesday for Portland to spend several days.

Mr. and Mrs. E. P. Morlan of Merino, Colorado, are here as guests at the home of Mr. and Mrs. F. H. Morlan. Not only are the two Mr. Morlan brothers, but their wives are sisters.

Mrs. M. A. Livermore was hostess at a bridge party last Thursday afternoon at the H. T. Fraser home. Guests to make three tables were invited. Prizes were won by Mrs. F. C. McKenzie and Mrs. H. E. Hill.

Methodist Church—Morning service at 11:15. Sermon, "Men of Faith Move the World." There will be a union service in the evening. Rev. Ware of the Baptist church will preach the sermon. S. Hamrick, pastor.

Mr. and Mrs. C. M. Jackson and son were Pendleton visitors Tuesday. They made the trip to help her father, J. M. McPherson, celebrate his 77th birthday anniversary. Mr. McPherson is enjoying excellent health.

A little jaunt of 88 miles means nothing in the lives of Bob Hooker and Dick Upham. They left this morning for Ukiah where they will attend the races over the Fourth of July. The boys made the same trip two years ago. They rode horses.

Mrs. H. M. Mumford of Bremerton, Washington, and her daughter and grandson, returned home Wednesday after visiting here as guests at the home of Mr. and Mrs. W. G. Rodda. Mrs. Mumford and Mrs. Rodda are sisters.

Judge Fred Wilson and members of his family of The Dalles were visitors in Hermiston a short time Tuesday afternoon. They were en route to La Grande where Judge Wilson will hold court for Judge Knowles for a few days.

Barbara Campbell, daughter of Mr. and Mrs. S. M. Campbell, was hostess at a party at her home last Thursday afternoon. Boys and girls to the number of 24 were present.

Games were played during the afternoon, and refreshments were served picnic style on the lawn.

A new orchestra that has gained a reputation for itself during the time the members have played together will furnish the music for the Legion's fortnightly dance here Saturday night. Larry O'Sullivan's Serenaders is the name of the orchestra.

Andy Gump may soon be a resident of the Hermiston district. He is not the Andy of cartoon fame but a real flesh and blood man. His home at present is in Council, Idaho, and he was here this week looking around with the idea of locating here.

Mrs. A. W. Purdy and Mrs. F. C. McKenzie were hostesses at a delightful bridge party Tuesday afternoon at the McKenzie home. Guests to make seven tables were present for the afternoon. Mrs. R. E. Mitchell won first prize, Mrs. W. J. Warner second, and Mrs. B. S. Kingsley, consolation.

R. G. Penney was here from Stanfield Tuesday conferring with local people about some of the details of the big joint Fourth of July celebration that will be held in Stanfield under the auspices of Stanfield Grange and the Umatilla Project Farm Bureau. All indications are for a very fine celebration, Mr. Penney stated.

Spokane is looking forward with a great deal of interest to the air derby when flights from New York to Spokane will be made, according to George B. Wallace who is in the automobile business there. He and Mrs. Wallace were here Thursday as guests at the home of Mr. and Mrs. Harvey. Spokane is doing quite a lot of building at present, Mr. Wallace said. He and his brother used to be in the automobile business in Pendleton.

A good many Hermiston residents went to Arlington Monday to see the damage done by the waterspout Sunday evening. One of the first was H. A. Pankow. "A person who has never seen havoc wrought by flood waters may have trouble realizing just what it can do," said Mr. Pankow. "When he has a chance to see results at first hand he can form some idea of the power of a big head of flood water."

Out in the Minnehaha district some of the boys figure they have a good joke on Chester Flannigan who rates as one of the best jesters on the project. School election was held the other day, and Mr. Flannigan was elected director. He did not attend the meeting, however, due to the fact that he was catching up on sleep lost while irrigating at night. When he finally had all the sleep he thought he needed, he began inquiring when school election would be held. He rubbed his eyes when some of his neighbors informed him that the election was history and he was a school director.

AT THE THEATRE
Beverly of Graustark, built around the novel of the same name, starring Marlon Davies, will be at the Playhouse Friday and Saturday.
For the Fourth to run both July 3 and 4, Manager Kline has secured Buster Keaton in the big comedy, "Go West." A short comedy and two reels of variety film will make a program of 10 reels for the holiday.
"The Man From Red Gulch," starring Harry Carey, will be here July 5 and 6. Thursday "The Victory Parade," a war department film taken on the western front, will be shown.

It is Astonishing

—what an improvement can be made in a plain house by the magic of saw and hammer, boards and paint. The old house is transformed. A new porch—some better windows—a dormer or two and you would scarcely know the old house. The shifting of a partition—a new oak floor—built in kitchen cabinets or a window seat will often render the interior home more inviting and comfortable. A few hundred dollars spent for material in improving an old house frequently adds a thousand to its selling price. Come in and let us tell you how reasonable remodeling costs are just at this time.
