"West of Broadway"

A good Western at 10-30c

Continuous Shows Both Days From 3 P. M.

County Superintendent Yeager. E. L. Jackson recently bought a flock of 118 Rambouillet sheep. Clyde McElroy is building a new poultry plant to house his flock of Leghorn chickens. He is also planning on building a barn and garage.

C. H. McElroy is enlarging his chicken house and from the number of White Leghorn chickens to be seen at Chester Flannigan's, C. M. Jackson's and other places in this locality there will be plenty of fresh eggs for breakfast.

A report has been received about M. F. Matott, who is on a hunting trip in the La Grande region, that he shot a six point deer. There was something more to the story, a bucking horse, or something, the details about which we are uncertain. We will get the story when he returns.

NEW ROAD SHORTENS ROUTE TO WESTLAND'S NEW LAND

Westland is now connected directly with the river road into Hermiston by a new road that is reported to be excellent by persons who have driven over it lately. It is smooth and straight and cuts off a trifle more than a mile from the distance formerly traveled.

Before now it has been necessary to take visitors and prospective buyers of farms in the Westland district over an indirect route and point out where the new road would be later. The new road will furnish a much better approach to this section.
