Mammoth-Cave Wonders

Both Green and Nolin rivers, in the Mammoth cave, are points of interest for the fisherman, the swimmer, the canoeist, the motorboat fan, and for any other to whom the flow of clean, limpid waters is a lure. Green river is said to be the deepest river for its size in the world; at some points, in fact, it is said to have a depth of 80 feet. Into it flow the underground streams, such as Echo river and the River Styx, from the great caverns. Both streams, through the ages, have cut gorges of exquisite beauty, rivaling, in fact, anything of the sort to be found in the world. Nolin river in one spot has cut its way through cliffs said to be more impressive than the palisades of the Hudson river. These are but a few of the natural phenomena and scenic beauties to be found in the area.

Italian Breaks Altitude Record.

Turin, Italy.—The Italian airplane pilot Renato Donati broke the world's altitude record by attaining 11,827 meters (38,793 feet). This was exactly 100 meters higher than the record of the American aviator, Lieutenant A. A. Champlin.

Junior Red Cross Army Red Cross Nurses Aid of 6,000,000 in Schools In Every Great Disaster

Members of the Junior Red Cross proved a new capacity for service during the Mississippi flood, according to reports to Red Cross National Headquarters covering their work.

This group of enthusiastic school children responded spontaneously and generously to the needs of the flood victims. An indication of the importance of this help is contained in the report that Juniors in Boston alone contributed \$7,500 to the relief fund. Junior Red Cross members shared in reconstruction work in the Midwest several years ago, after the Florida storm, and are in the post-flood operations of the Red Cross among the people in the Mississippi Valley.

Junior Red Cross has 5,822,757 members, an increase of 273,329 in the last year.

More than a million of the Junior Red Cross membership is distributed in the Philippines, Hawaii, Guam, Porto Rico, the Virgin Islands, and Alaska, and includes Indian and Eskimo children. Through the medium of the Junior Red Cross in the United States, and similar groups abroad, children all over the world are being brought into closer understanding by international correspondence carried on by classes in the schools.

The Juniors at present have nearly twice the membership of the senior organization, but in the forthcoming membership enrollment of the Red Cross, from November 11 to 24, the goal of the adult membership is 5,000,000.

Two major disasters, the Florida hurricane and the Mississippi flood, required the services of Red Cross nurses in large numbers over a long period of time in the past year.

In the Florida storm, service of 350 nurses is recorded. It is estimated that about 100 others assisted in the first few days as volunteers. The total number of nurses in the Mississippi valley flood was approximately 200. In every major disaster the services of Red Cross nurses are needed, lending added importance to the enrolled reserve which now numbers more than 45,000 Red Cross nurses. These nurses are available for any emergency, though they are on duty in hospitals and in private practice. They constitute the reserve of the Army and Navy nurse corps in time of war.

Besides emergency duty, Red Cross nurses assisted materially in many local services. Chapter reports to National Headquarters indicate. The Eleventh Annual Roll Call of the Red Cross, from November 11 to 24, it is pointed out, is an opportunity for everyone to become identified with the Red Cross.

Legal Blanks for Sale at This Office

NOTICE OF SALE

Notice is hereby given that by virtue of the authority of the City Charter of the City of Hermiston and the direction of the City Council authorizing and directing the Treasurer of the City of Hermiston to collect the unpaid assessments for the city irrigation water for the year 1927, levied and imposed under the provisions of Ordinance No. 76 passed by the City Council and approved by the Mayor on July 2, 1913, as amended by Ordinance No. 122 and ordinance No. 96 passed by the City Council and approved by the Mayor on April 17, 1918.

I will on the 30th day of December, 1927, at the hour of 10 o'clock in the forenoon of said day at the City Council Chamber in the City of Hermiston, Oregon, sell the following described lots, pieces and parcels of land at public auction to the highest bidder for cash in hand, the proceeds from the sale of each lot, piece or parcel of land to be applied in satisfaction of the assessment upon said lot, piece or parcel of land with interest thereon from March 1, 1927, at the rate of 6 per cent per annum together with a penalty of 15 per cent of each of said assessments and all costs.

Following is a description of each of said lots, pieces or parcels of land with the number of feet frontage, name of owner or reputed owner, and the amount of said assessment.
