HOSS RESIGNS AS PRIVATE SECRETARY TO GOVERNOR

Salem, Oregon, February 16—Hal E. Hoss, private secretary to Governor I. L. Patterson since the latter's inauguration a year ago, has submitted his resignation to the governor. Mr. Patterson, in accepting the resignation, has asked Mr. Hoss to remain on the job until the first of March, as the governor intends to be absent from the state for several days preceding that date. Who will succeed as private secretary has not been indicated by the governor.

Mr. Hoss, who is a potential candidate for the office of secretary of state, said in his letter of resignation that he did not feel justified in spending any time while on the state payroll to further his own personal political career, and indicated that as soon as he was relieved from duty that he would make a state-wide survey of the situation and come to a decision after he had had time as a private citizen to go thoroughly into the matter.

The state press, with which Mr. Hoss has been closely affiliated as an association officer for a number of years, has indicated that it will support him actively, if he becomes a candidate, and considerable interest in his political welfare is being evinced by a substantial group of friends, representative of all lines, in the larger centers.

PUBLIC SPEAKING CLASS

PLEASES WITH PROGRAM

One of the most pleasing programs during the current school year was offered Saturday night by the public speaking class under the direction of Miss Alice McCollum, assisted by Miss Ruth Seyler in the musical numbers.

Three one act comedies gave the high school actors plenty of situations in which to create laughs, and they rose to the occasion in every case.

Pianologues and readings made up the remaining numbers on the program.

SECOND ECONOMIC MEETING

WILL BE HELD THIS FALL

A second economic conference for farmers on irrigated lands surrounding Hermiston will not be made this spring, as had been tentatively planned, according to George H. Jenkins, following his return from Corvallis where he attended the conference of county agents of the state.

The conference, if it had been held, would have been of a follow-up nature to check results secured by reason of the first one which was held two years ago this month.

"Present indications are that the second conference can be held this fall," Mr. Jenkins said. "We can plan for it in advance and should be able to make it mighty well worth while."

Mrs. Mabel Ralph and Mrs. C. C. Durfee entertained at bridge at the hotel last Thursday night. Guests to make 12 tables were invited. The prize winners included Mrs. H. E. Hitt, H. M. Straw, Miss Sanstad, F. C. McKenzie, Mrs. F. B. Swayze and H. E. Hitt.

German Arbitration Pact Planned.

Washington, D. C.—An arbitration treaty similar to that recently signed by France and the United States will be offered Germany by this government soon after the senate acts on the Franco-American pact. There is no arbitration treaty between the United States and Germany now because those countries did not sign such an agreement when Elihu Root negotiated a score of arbitration pacts in 1908 and 1909.
