George Love, state commander, and Carl Moser, state adjutant, were present and informed ex-service men of the special rights they have by reason of national and state legislation that has been passed during the past six years. The meeting was well attended. Heppner post gave a feed which was attended by members and visitors before the meeting, and a dance followed the session. Cal Sweek, Heppner attorney, presided at the meeting and welcomed the Legion members in behalf of the city. Mr. Biggs was accompanied by Joe Harvey.

Interest in political matters is becoming general over the county as time approaches for active work before the May primaries, according to Harold J. Warner, attorney, and member of the firm of Raley, Raley & Warner of Pendleton, who was a Hermiston visitor Tuesday on business. The candidacy of Harry Rees, resident of the Stanfield district, for the republican nomination for recorder, is being well received. Mr. Warner stated. While no announcement has been made, it is generally accepted as a fact that James Alger Fee Jr. will be a candidate for the republican nomination for circuit judge to succeed himself. Political rumor is that R. E. Bean, now county commissioner, will be a candidate for representative, thus leaving a vacancy to be filled. Talk going the rounds is to the effect that I. M. Schanep, county judge, will oppose Judge Fee for the circuit judgeship, though no formal announcement has been made.

LA GRANDE MAN ENTERS REAL ESTATE GAME HERE

Vernon E. Seitz to be Partner of E. P. Dodd in Handling Land Sales.

Vernon E. Seitz of La Grande will become associated with E. P. Dodd in the real estate business in Hermiston March 1, according to an announcement made by the two men at the luncheon of the commercial club Tuesday.

Mr. Seitz has been in the realty business for a number of years and also has had experience in mercantile lines. He told the members of the commercial club that a survey lasting one month which he and Mrs. Seitz made down the Pacific coast through Oregon and California failed to disclose a community that suited his ideas of a place to live with a chance to make a little money as Hermiston.

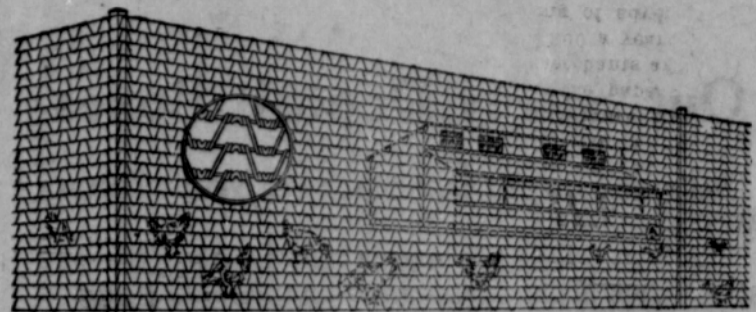

Business lines are uniformly being overdone at present, according to the investigation he said, and owners of small businesses are already beginning to turn their attention to the desirability of living on small farms such as prevail in this district. He expressed the belief that this movement from cities will become pronounced within the next year or two and that Hermiston has the kind and size of farms and acreages that will be particularly in demand.

A motion was passed by the club expressing satisfaction and praise for the harmonizing influence in the community of the work of Rev. A. J. Ware, pastor of the Baptist church. The club went on record as urging Rev. Ware to continue his service in the local field.

U. S. Poultry Fence cuts costs. It saves the price of unnecessary lumber. It saves time, labor and expense in building. And, with all its superiorities, it sells for no more than ordinary netting.

MRS. HOUSEWIFE:

If you are not now taking the Hermiston Herald because you think you can't afford it and depend on borrowing a copy from a friend to read the home news, just stop and figure the savings you can make in course of a year by having the paper regularly and taking advantage of the bargains that merchants are offering every week. The price of a subscription is \$2.00 a year. The returns to you in savings made by directed buying of advertised bargains may be only \$10.00, or they may be \$50.00 a year. In either case, a subscription is a dandy investment.
