

The Spirit of Working With and for One Another--Cooperation--Is the Vital Force in the Development of Any Community.

The development of Hermiston has been due to the loyal effort of progressive men and women of our community circle.

What wonderful progress we would make if every citizen of Hermiston were included in this circle! How rapidly we would forge to the front in growth and prosperity; the center of business and social activity, with the best schools, churches, parks and public improvements.

Whole-hearted cooperation by that part of the community circle consisting of the business and professional interests is assured.
