

Where will you be at seventy?

Recent investigations have shown that a large number of persons are dependent on relatives or charity in their old age.

When the autumn of life approaches, and the leaves of youthful vim and enthusiasm fall, it is extremely difficult for any person, no matter how able, these investigations prove, to compete in the world of business and commerce.

What better insurance against dependence in old age than a savings account in a bank?

One dollar will start you on the road to economic security.

HERMISTON HOSPITAL HOLDS OPEN HOUSE

Tuesday, May 1, was "at home" day at the Hermiston hospital, when Mrs. J. D. Harrah held open house to receive friends of the hospital. The attractive rooms were beautifully decorated with tulips and lilacs and guests were served with punch and wafers during the afternoon. A short program was given, Miss Sansted singing and Miss Vera Thompson giving piano solos. Inspection of the rooms and arrangements of the hospital brought forth much favorable comment from the visitors, who showed their appreciation of this addition to Hermiston by several donations of necessary articles to be used in the furnishing of the institution.
