MRS. HOUSEWIFE:

...If you are not now taking the Hermiston Herald because you think you can't afford it and depend on borrowing a copy from a friend to read the home news, just stop and figure the savings you can make in course of a year by having the paper regularly and taking advantage of the bargains that merchants are offering every week. The price of a subscription is \$2.00 a year. The returns to you in savings made by directed buying of advertised bargains may be only \$10.00, or they may be \$50.00 a year. In either case, a subscription is a dandy investment.

When you build, we are ready to serve you

WHEN you build it is always a comforting thing to know that the building materials you buy are going to be up to specifications. Cheap, flimsy construction usually goes hand in hand with poor quality materials.

Safeguard your building by letting us know what you require and we will work with you to see that your interests are well protected.

We are headquarters for all dependable building materials and can also help you select a good, reliable contractor.

Tell us what you plan to do—we can and will give you helpful advice.
