Chas. Hoskins Announces for Sheriff

Having been solicited by many friends and voters of all political faiths and urged on by a personal aspiration for the position, I have decided to enter the race for Sheriff of Umatilla County as an Independent Candidate at the next general election. I was reared and educated in this county and have lived practically my whole life of thirty-six years here. For three years I have been employed in the office of the Sheriff serving as Chief Deputy the past two, thus acquiring experience, and training fitting me for the duties of the office. I am not nor will I permit myself to become obligated to any person, party clique or organization of any character. My oath of office, should I be elected, will be my pledge. Its observance demands a sane, safe and fearless enforcement of all laws. On this basis I offer myself as a candidate soliciting the support of the electors. An unprejudiced consideration of my candidacy will be appreciated.

CHAS. C. HOSKINS.

Paid adv.

Mrs. A. H. Norton and son Bruce returned home last week from an extended visit with relatives in the Middle west.

**SHERIFF'S SALE**

Notice is hereby given that under and by virtue of a writ of execution issued out of the Circuit Court of the State of Oregon in and for the County of Umatilla, under the seal thereof, and to me directed and delivered upon a judgment and decree rendered and entered in said court on the 1st day of October, 1928, in favor of Nicholas Codd as plaintiff, and against J. W. Spencer's administrator of the Estate of C. E. Spencer, Deceased, as defendant, whereby the plaintiff did recover a personal decree against the defendant J. W. Spencer as Administrator of the estate of C. E. Spencer, Deceased, for the sum of \$4,090.00, with interest thereon at the rate of 8 per cent per annum from the 15th day of April, 1926, the further sum of \$28.71 with interest thereon at the rate of 8 per cent per annum from July 14th, 1927, the further sum of \$350.00 attorney's fees, and the costs and disbursements of this suit taxed at \$22.60, and whereby it was decreed that the mortgage dated the 15th day of April, 1920, executed by C. E. Spencer, now deceased, to plaintiff, upon the following described real property in Umatilla County, Oregon, to-wit:

The Northwest Quarter of the Northwest Quarter and the West Half of the Northwest Quarter of the Southwest Quarter of the Northwest Quarter of Section Thirty-three, Township 5 North of Range 29, E. W. M., in Umatilla County, Oregon,

which mortgage was recorded on the 16th day of April, 1920, at page 151 of book 70 Records of Mortgages in the office of the County Recorder of Umatilla County, Oregon, should be foreclosed and the said real property sold by the Sheriff of Umatilla County Oregon, to satisfy said judgment and all costs; therefore I will on the 10th day of November, A. D. 1928, at the hour of 2 o'clock P. M. at the front door of the court house in the City of Pendleton, Umatilla County, Oregon, sell all the right, title, interest and estate which the said C. E. Dated this 9th day of October, A. D. 1928.

R. T. COOKINGHAM,

Sheriff of Umatilla County, Oregon.

(6-5tc) By Vera Case, Deputy.

The successful expert C. F. Redlich for Scientific Rupture Appliances says:

"The 'Perfection Retention Shields' hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by rupture promptly disappear.

Truly remarkable results have been obtained with recent and not yet fully developed ruptures and many old ones also.

Surgical Corsets and Abdominal Supporters for falling organs, obesity, navel and stomach-ruptures expertly made to measure.

Letters from highly satisfied clients available.

Advertised mail order contraptions as well as elastic belts with chafing, filthy leg straps are absolutely worthless.

Call on me and I will show you. Results on children are 95 per cent favorable.

**Every purchaser of a new Ford is entitled to Free Inspection Service for the first 1500 miles**

THE modern automobile is a finely built piece of machinery and it will stand a lot of abuse. Considering the work it does, it gives surprisingly little trouble. But there isn't a car made that will not run better and longer if given proper care.

The first few hundred miles are especially important because that is when the mechanism of your car is being broken in.

Proper attention during this period will lengthen its life and prevent unnecessary trouble later on.

We are particularly interested in this matter because we believe it is our duty not only to make a good automobile, but to help the owner get the greatest possible use over the longest period of time at a minimum of trouble and expense.

With this in view, the entire Ford dealer organization has been specially trained and equipped to service the new Model A car.

Furthermore, we have instructed every Ford dealer to give the following Free

Inspection Service at 500, 1000 and 1500 miles:

- Check battery
- Check generator charging rate
- Check distributor adjustment
- Check carburetor adjustment
- Check lights
- Check brakes
- Check shock absorber adjustment
- Check tire inflation
- Check steering gear
- Change engine oil
- Lubricate chassis

No charge is made for labor or materials incidental to this service, except, of course, where repairs are necessary through accident, misuse or neglect. The only charge is for new oil.

See your Ford dealer, therefore, and get this Free Inspection of your new car at 500, 1000 and 1500 miles. Find out, too, how little it will cost to have your car given a thorough going-over at regular periods thereafter.

A checking-up by experienced mechanics, together with oiling and greasing every 500 miles, will add months and years to the life of your car and mean more economical and pleasurable motoring every mile you drive.

**TRY FIRST AT HOME**

Whether it is something we want to buy, or some service we wished performed, why not try first at home? There is not a single one of us in this entire community but what will benefit to an appreciable degree if each member of the community practices this simple rule.

We want our home town to grow and prosper—we want it to be a place in which we will be proud to live. To realize our desires and our dreams of a better home community we must, one and all, do our share toward making it better—and the one big step toward that end is taken when we each one try first to fulfill our needs from home community sources.
