"To thine own self be true, and it must follow as the night the day, thou canst not then be false to any man."

**BOOSTING PAYS—KNOCKS HURT**

Every day in every way, let the folks of the surrounding country know just how much we appreciate the wonderful possibilities of our own project, community and town.

Pride in the place of one's residence is a birthright that every citizen of America can express with certainty. This is a splendid town—we admit it—you should, or move on to the next place over the hill where the grass is green. We want the world to know just how glad we are to be living in a town where every man, woman and child is a booster.

The more we can tell others about the possibilities and benefits that are here, the more folks we will get to come here and live, and the better the community and town will be for all, because a satisfied resident is worth a trainload of luke warm or knockers.

**OUR LIBRARY**

The Herald has received criticisms from prospective settlers and visitors to our town concerning our yard around the library. This subject has been discussed and discussed at council meetings, commercial club meetings, and meetings of various other kinds. Why has such a beautiful building as our Carnegie library been allowed to stand for years without a lawn and shrubbery? This is the only public building that we have and our pride should prompt us to quit talking about it and raise the necessary funds to make this corner of Hermiston a joy and beauty forever. Can we do it? Yes. Will we do it? Yes.

**Sounds That Can't**

Recent tests show that the howling of a rooster, the ringing of a church bell, and the sound of a cannon are the loudest sounds that can be heard a mile into the air.

A chicken's cry reaches up 2,000 feet, and the toll of a bell can be heard at an altitude of 3,000 feet. Among sounds produced by living things, a dog yelp holds the altitude record. It has been heard by balloonists 5,900 feet up. The report of a rifle will carry about the same distance.

Of all sounds recorded, a locomotive whistle reaches highest. It has been heard more than two miles above the earth.—Popular Science Monthly.

**SCHOOL NOTES**

A Christmas cantata will be given December 20 at the evening meeting of the P. T. A. The cantata is to be given by the boys' and girls' glee club. The leading parts have not been assigned.

Earl Griggs has returned to school after working for a week.

The Juniors held a class meeting to discuss class plays. No play has been chosen.

There will be a football game here with the Pasco high school Friday, November 23. This is the last game of the season.

Ten of the sixth grade pupils attended the show "The Covered Wagon." The book of the same title is on their reading list.

Bobby Sullivan, Linsey Wheeler and Mary Lou Harvey have left the first grade.

**WHATZ WAT**

In The Seventh Grade

Vol. 1 Hermiston, Nov. 20 No. 4

**EXTRA! EXTRA!**

**Thanksgiving Program**  
 A Thanksgiving program is to be given by the seventh grade. Two short plays will be given and demonstrations by the hobby club. Are you interested in birds? Come and learn something about the feathered folk of your community. Do you know anything about airplanes or electricity? We are going to try to tell you in an interesting way what we have learned. Is a study of the stars interesting to you? We are planning on teaching you a little about astronomy. Everyone cordially invited. Admission free. Come prepared to buy some good home-made candy.  
 Wednesday, the 25th, at 8 P. M.

**HUGH O. SMITH**

Hugh O. Smith, farmer living in the vicinity of Stronghurst, Ill., has just received a Carnegie hero medal for his feat of saving the lives of Mrs. John Peasley and her four children.

**NEW INDICTMENT ACCUSES ASA KEYES**

Los Angeles. — Asa Keyes, district attorney, and seven others, were indicted by the Los Angeles county grand jury on charges of conspiracy to give and receive bribes.

The charges were contained in two blanket indictments, the first charging Keyes and the others with ten overt acts in the prosecution of the Julian Petroleum case which collapsed, and the second charging 40 acts in connection with the dismissal of felony charges against A. I. Lasker.

The recent indictments replace those which were returned two weeks ago. The defendants are charged individually instead of as a group.

**BIG TUNNEL OPENS SOON**

Trains Will Be Run Through Mountains December 28, 1928.

Cashmere, Wash. — What officials consider to be the most important realignment work ever undertaken on any of the transcontinental railroads in the United States will be completed, at a cost of around \$25,000,000, when trains run through the new Great Northern eight-mile Cascade tunnel between Scenic and Berne in the Cascade mountains December 28.

C. O. Jenks, vice-president in charge of operations, announced that the new tunnel, the longest railway tunnel in America, would be ready for trains on that date.

About a month ago the main tunnel was holed through, and all that remains to be done is several hundred feet of enlargement and clearing up of sides and walls at the center. This then will be lined with concrete, about a two weeks' job, and the construction of the big tunnel will be complete.

**Mrs. Coolidge Christens Big Plane.**

Washington, D. C. — Mrs. Calvin Coolidge christened the first of the Pan-American Airways passenger planes, which will operate on a daily schedule between Miami and the West Indies. The plane christened was a tri-motor Fokker with 12-passenger capacity and carrying, in addition to two pilots, a radio operator and a steward. Its daily flying schedule is to begin January 8.

**California Singers Win Radio Contest**

San Francisco, Cal.—Two California singers, Miss Dove Irene Kilgore, 21-year-old soprano of Oakland, and Donald Novis, 22-year-old tenor of Pasadena, were announced as winners of the far western radio district contest held recently by the Atwater-Kent company, in which singers from nine western states competed.

C. Z. RANDALL,  
 Administrator, with the Will Annexed, of the Estate of Lucius C. Colman, Deceased. 12-5tc

**NOTICE OF SALE**

Notice is hereby given that by virtue of the authority of the City Charter of the City of Hermiston and the direction of the City Council authorizing and directing the treasurer of the City of Hermiston to collect the unpaid assessments for the city irrigation water for the year 1928, levied and imposed under the provisions of Ordinance No. 76 passed by the City Council and approved by the Mayor on July 2, 1913, as amended by Ordinance No. 122 and ordinance No. 96 passed by the City Council and approved by the Mayor on April 17, 1918.

I will on the 22nd day of December, 1928, at the hour of 10 o'clock in the forenoon of said day at the City Council Chamber in the City of Hermiston, Oregon, sell the following described lots, pieces and parcels of land at public auction to the highest bidder for cash in hand, the proceeds from the sale of each lot, piece or parcel of land to be applied in satisfaction of the assessment upon said lot, piece or parcel of land with interest thereon from March 1, 1928, at the rate of 6 per cent per annum together with a penalty of 15 per cent of each of said assessments and all costs.

Following is a description of each of said lots, pieces or parcels of land with the number of feet frontage, name of owner or reputed owner, and the amount of said assessment.

City of Hermiston, according to plat filed with County Recorder Nov. 23, 1904.

**THAT FIRST COLD SNAP**

*Most Dangerous to Radiators*

MANY automobile owners put off protecting their radiators until the first cold snap comes—THEN IT IS TOO LATE! Jack Frost has done his damage—result—a new radiator; a new cylinder head; possibly a new cylinder block, which means from \$15.00 to \$50.00 damage.

**NOW IS THE TIME**

Let us prepare your radiator for the winter driving and fill it with—
