Now if the southern octopus can only wrap one more of it's suckers around Boulder Dam, everything west of the Mississippi river would be Los Angeles—except Oregon and Washington.

We are not making any New Year resolutions, not even on the subject of subscriptions.

Our idea of the really thoughtful person is the one who sends a Christmas card with no name on it, thereby rendering it ready for service next year.

From the photographs displayed in some of the other newspapers, we would not mind being Ptesident-elect Hoover.

We see by the papers that cigarette thieves are operating over the country. This is undoubtedly true, but we have another name for them.
