**Now is the time to fix up your MODEL T FORD**

RIGHT now, after winter lay-ups and winter driving, is the time to go over your Model T and find out just what it needs in the way of replacement parts and adjustments. For a very small cost, you may be able to protect and maintain your investment in the car and get thousands of miles of additional service.

To help you get the fullest use from your car, the Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts and will continue to do so as long as they are needed by Ford owners.

These parts are quickly available through Ford dealers in every section of the country. Note the low prices in the partial list given below:
