

COLUMBIA NEWS NOTES
(Columbia School Correspondent)
Mr. and Mrs. Tom Stewart were Pendleton visitors Tuesday and drove home in a Star car in place of Lizzie.

Kenneth Luttrell and bride were week end visitors at the home of his parents, Mr. and Mrs. Wm. Luttrell.

Uncle Johnnie Thom was a dinner guest at the Lynch home Sunday.

Mr. and Mrs. Tom Stewart were Sunday visitors at the Gus Tonis home in Umatilla.

Mr. and Mrs. Armstrong moved the fore part of the week to the old Sellers place.

Mrs. Tom Haddox received a batch of 1700 baby chicks last Wednesday.

Last Sunday night the association bull on the Ott ranch got in the wrong stanchion, slipped and broke his neck, dying soon after.

At a recent school board meeting Claude Haddox was re-elected principal of Columbia for the coming year and will teach the three upper grades. Miss Fannie Todd was elected to the intermediate grades and Miss Glea Sias for the lower grades and music. Claude Haddox was also given the janitor job for the ensuing year.

At the west end track meet held in Hermiston Saturday Columbia managed to take six places. Harold Buell won first in running and broad jump and second in the baseball throw for division A, boys. Leo Haddox won first in running and third in broad jump for division B, boys. Rachel Buell won second in running for C division, girls.

A very delightful surprise birthday party was given Claude Haddox last Monday evening at the R. L. Addleman home. About 25 people were present. At the close of the evening refreshments of ice cream and cake were served.

Mr. Sherry has sold all of his live

stock and has rented his ranch to Joe Udey. Mr. and Mrs. Sherry will move beyond Pendleton for the summer months where they are engaged on a sheep ranch.

Last Friday the upper room at Columbia gave a very delightful surprise party on their teacher, Claude

Haddox, in honor of his birthday.

W. H. Bennett and family moved Saturday to the place west of town that was formerly run by Davis.

Perry Arthur who bought a 40-acre tract from Stillings and also the old Noble place, moved to his new home Sunday. The place was previously run by W. H. Bennett.

John Jendrzewski completed a new brooder house last week.

There will be a Farm Bureau meeting Friday night at the Columbia school house.

Mrs. F. B. Pennock very successfully experimented with Pekin ducks last year, some of them weighing 11 pounds at five months and all of them unusually fine specimens. She contemplates raising a much larger flock this year and has just hatched off 75 baby ducks and has another batch coming off in a few days.

CHRISTIAN SCIENCE CHURCHES
"Detachment of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 21.
The Golden Text was, "Walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweetsmelling savour" (Eph. 5: 2).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The sacrifices of God are a broken spirit; a broken and a contrite heart, O God, thou wilt not despise" (Ps. 51:17).
The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Self-abnegation, by which we lay down all for Truth, or Christ, in our warfare against error, is a rule in Christian Science" (p. 558).

Spring Showing of General Motors Cars.
This week, throughout America, the public is viewing the newest models of General Motors products. Check and mail the coupon below. It will bring this Spring Showing into your own home.

CHEVROLET—Last year the public bought more than 1,000,000 Chevrolets. This enabled Chevrolet and General Motors to effect one of the most remarkable feats in industrial history: almost overnight, Chevrolet was changed from a 4-cylinder car to a Six in the price range of the four. The new Chevrolet Six is new in every respect: smoother, more powerful, and luxurious bodies by Fisher. 7 models—\$525 to \$725

OAKLAND—General Motors' policy of continuous improvement is nowhere more noticeable than in the new models of the Oakland All-American Six. The distinctive style and advanced engineering principles which Oakland represents have made it a center of unusual public interest at automobile shows. All-American in name, the new Oakland is All-American in its qualities of speed, snap, power and stamina. Fisher makes the bodies. 8 models—\$1145 to \$1375

BUICK—This famous member of the General Motors family, year after year, has given increasing value. Over 2,000,000 Buicks have been built and sold and of this total 1,500,000 are still serving their owners. The new Silver Anniversary Buick, with masterpiece Bodies by Fisher, comes in three wheel-base lengths. All are powered by the Buick Valve-in-Head engine, which is vibrationless beyond belief. 19 models—\$1195 to \$2145

PONTIAC—Since General Motors introduced the Pontiac Six three years ago, its sales have practically doubled each year. Now General Motors offers, in the new Pontiac, a "Big Six," at the same base price. It has big-car power, big-car performance and big-car luxury in the Bodies by Fisher. It is appealing particularly to families which are "stepping up" in car ownership. 7 models—\$745 to \$895

VIKING—There was demand for an 8-cylinder car of General Motors quality in the medium price field. General Motors chose Oldsmobile to design and build the new car, and three years were spent in its development and test. The result was revealed last month in the Viking, the latest member of the General Motors family. Viking has the world-famous 90-degree V-type engine and Fisher's newest creations in bodies. 3 models—\$1595

OLDSMOBILE—General Motors took this long-established car and remade it to provide a fine car at low price. Last year the value of Oldsmobile was so marked that the public bought over 50 per cent more than the year before. The new Oldsmobile models, with Bodies by Fisher, offer still further improvements — and the prices have been reduced! Oldsmobile also has new Special and De Luxe models, with extra features, at slightly higher prices. 7 models—\$875 to \$1035

LASALLE—When General Motors introduced LaSalle, two years ago, it set a style which was widely copied both in America and Europe. The new models are as distinguished as the first. Built by Cadillac, LaSalle enjoys the same mechanical excellence: 90-degree V-type engine of 8 cylinders; transmission that permits gear shifting without noise or clashing at any speed. The bodies, by Fisher and Fleetwood, offer a choice of colors to express individuality. 14 models—\$2295 to \$4900

CADILLAC—What more can be said of Cadillac? For twenty-five years the world's standard of comparison in the fine car field. The choice of kings, presidents and leaders of business and society in every country. To the unparalleled performance of Cadillac's 90-degree V-type 8-cylinder engine has been added the silent transmission and many new advances in design. Your choice of colors in bodies by Fisher and Fleetwood. 25 models—\$3295 to \$7000.
