GERMOZONE
BIG SAMPLE FOR YOU
the LIFE SAVER for Chicks!

Why GERMOZONE Saves Chicks
Germozone is more than just a mixture of Potassium permanganate and water; in addition to Potassium permanganate it contains four other ingredients.
Potassium permanganate is like a cap in a cap pistol; in Germozone it is the cap in the shell of a shotgun. When Potassium permanganate reaches the food in the crop it quickly breaks down and, like the flash of the cap in the cap pistol, that's as far as it goes. But in Germozone the breaking down of the Potassium permanganate "sets off" a charge of Chlorine from the other four ingredients. Chlorine, the powerful anti-septic, carries on through into the intestines, counteracts infection, and cleanses and soothes the irritated membrane.
Germozone purifies the drinking water, but this alone is not enough. To stop diarrhoea, the medicine must reach the intestines. Germozone does this.

BRING THIS COUPON
Don't lose your chicks. Get started with Germozone now. Bring the coupon and 10c and get this 40-cent bottle; also a free copy of the 1929 Lee Way Book, a 64 page text book on Disease of Poultry and Stock. Your bottle is here. Come and get it NOW.

I will try Germozone which you so highly recommend. Give me the 40c bottle for 10c, as per your trial offer.

TO WIVES who want to stay young!

We offer a new rug that saves work all over the house... made by the makers of Armstrong's Linoleum. THOUSANDS of wives now greet their husbands at night with smiling faces. They have learned the secret of saving work... of avoiding that "all tired out" look that hastens the years. They have done away with floor drudgery forever... thanks to Armstrong's Quaker-Rugs!

These beautiful new gloss-surfaced rugs are made by the makers of Armstrong's Linoleum. All the newness, all the color, all the beauty, is sealed right in the rug by the special Accolac Process surface. Thus, all soil lies lightly on the surface. Dirt is swept off in a jiffy. Stains are removed easily by an ordinary mop or damp cloth.

A solid felt base provides the body that makes these new-type rugs wear so long. But to make sure that you get your money's worth, each rug carries with it a Guarantee Certificate. This is our offer to replace your rug free, if it fails to give complete satisfaction.

Come in today and see the wide selection we carry in designs and sizes. And be ready for a pleasant surprise, because the prices of Armstrong's Quaker Rugs are gratifyingly low!
