Kitchenkook makes its own gas from common gasoline, bringing to homes located beyond the reach of gas all the convenience, cleanliness and comfort of city gas service. It's different from any stove you have ever used. No wicks or chimneys, no smoke, soot or kerosene odor. Master burner lights in less than a minute; then all burners turn on or off as wanted, just like gas. No waiting, no delay; fire regulates instantly just as you want it. Kitchenkook is so simple children can use it in perfect safety.
