CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 21.

The Golden Text was, "The Lord is my strength and song, and is become my salvation. I shall not die, but live, and declare the works of the Lord" (Psalms 118:14,17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God" (Rev. 2:7).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter,—certainly before we can reach the goal of Spirit, or life in God" (p. 324).

Mr. and Mrs. J. P. Garner of Echo spent last Sunday at the home of their son, Walter Garner.
