**MINNEHAHA NEWS NOTES**

♦ Mrs. M. T. Matott, Correspondent ♦

We find the successful man in any line of endeavor doing the very thing that he has been told can't be done. The obstacles in his path are only so many hurdles to be hurdled and this applies to our project and its problems. This thought was brought home rather forcibly last week when a visit was made to inspect the lovely garden of Mr. and Mrs. H. W. Klages. About two years ago this place was one of the worst sand piles to be found anywhere and today its careful planning might well be considered the work of a landscape gardener. The lawn is like velvet with not a weed to mar its beauty and on the terrace side there is always something blooming. This spring it was red poppies of large size. Just now it is banked with perennial phlox which will soon be replaced with daisies of a delicate lavender shade. Mr. Klages has made use of the grafted locusts in his plan and they are worth a trip to see for while they develop their own rounded form they impress the uninitiated as having had an unlimited amount of pruning. This home is about two miles from Hermiston on the Butter creek highway.

# NOW you can get this famous California Gasoline for your own car

**Easier Starting  
Greater Power  
Quicker Pick-up  
Better Mileage**

**R**ICHFIELD has won fame and friends wherever it has been sold. Though the tremendous demand has necessarily confined its sales in the past to the Pacific Coast, famous drivers have already spread the fame of "Richfield" throughout the east and even to Europe.

**D**URING the past decade Richfield has made racing history. In open competition with practically every known brand of gasoline, this famous California motor fuel has won more victories and world's records than all others combined. For seven consecutive years, Richfield has won the great Indianapolis speedway classic. Richfield was chosen by Captain Wilkins for his thrilling flight over the North Pole, by Art Goebel

for his record-breaking non-stop flights and by the "Question Mark" in its recent Army flight which broke all previous distance and duration records.

**N**OW you can get powerful, easy starting Richfield yourself! Try it in your own motor and learn why the world's greatest pilots and designers... men who are supreme judges of motor fuels and lubricants... use and endorse the "Gasoline of Power" exclusively.

Available at the Following Stations:

BLACK AND WHITE GARAGE  
Hermiston, Oregon

HIGHWAY CROCIERY AND SERVICE STATION  
Echo, Oregon.

**C. A. MOLL, Distributor**

# RICHFIELD

Walter Garner made a business trip to Pendleton last Thursday and Mrs. Garner and children Zelma, Lyle and Gene spent the day visiting at the J. P. Garner home in Echo.

Guests at the Andy Douglas home last week were Mrs. O. C. Turner and her daughter Mrs. Florence Leudtke and baby, Carol Lee. Mrs. Turner is a daughter of Mrs. Douglas and they returned to their home in Portland August 11.

There is a saying that if you produce something good enough, the world will beat a path to your door. Several years ago Clint Jackson started to raise good melons and he is still keeping up his reputation. He

surrounding small towns and also finds a good market in Pendleton, but so many are sold at his home which is not on the main highway, that it is safe to say that his customers have literally beaten a path to his door.

Mr. Chas. McKenzie who owns a large shearing plant, contracted for about a week's shearing at Walla Walla.

Mrs. M. T. Matott and daughter Janice and son Vance, visited at the J. H. DeMoss home near Cold Springs last Thursday. Mrs. DeMoss' mother, Mrs. Elizabeth Gage, is with her this summer. Mrs. Gage's father was an Oregon pioneer and Mrs. Gage tells many an interesting story of the early days in our state.

Mrs. Francis Lieuallen of Adams spent last Thursday at the A. L. Douglas home. Mrs. Lieuallen, who is a daughter of Mr. Douglas, and her small daughter Christine, are enjoying a vacation at Seaside.

Mr. and Mrs. George Harris of Lewiston, Idaho, have been visiting Crater Lake, the Oregon Caves and other points of interest in central and southern Oregon. On their way home they stopped at the Chester Harris home August 10. Since the ladies are sisters and the men are brothers, they had a real family visit.

Mrs. C. M. Jackson made a business trip to Echo last Saturday.

Mr. and Mrs. J. P. Garner, Mr. John Garner and Mrs. Polly Fowler, all of Echo, spent Sunday at the Walter Garner home.

Miss Georgia Thom was a dinner guest at the M. Matott home Wednesday of last week. Miss Thom is an ardent devotee of hiking and told of her hike with friends August 4 when they left their car on Weston mountain and walked to Bingham Springs. They took a short cut in returning and became lost. After some wandering they found the car about dark and just made Pendleton in time for Miss Thom to catch the train for home.

Mr. and Mrs. A. L. Douglas made

a trip to their lone ranch the latter part of last week to look after the harvest which is in progress. Mr. Douglas has been in the ranch game for many years and while he has had better crops he is not disappointed with this one. The lone ranch produces wheat.

A grader is in process of taking the wallop out of the corrugations in the Butter creek highway. While temporary relief is very acceptable some who have made a study of the situation feel that a liberal use of a sprinkler during grading would not only make the work more lasting but in the long run, less expensive.

Ed Klages left Sunday evening for a vacation in the Wallawo country.

**CHRISTIAN SCIENCE CHURCHES**

"Spirit" was the subject of the Lesson Sermon in all Churches of Christ, Scientist, on Sunday, August 11.

The Golden Text was, "I will pour water upon him that is thirsty, and floods upon the dry ground; I will pour my spirit upon thy seed, and my blessing upon thine offspring" (Isa. 44:3).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The fruit of the Spirit is love, joy, peace, longuffering, gentleness, goodness, faith, meekness, temperance" (Gal. 5:22,23).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth, and Love" (p. 336).
