4 Kinds of Hair Which Is Yours?

FEW people are aware that there are actually four kinds of hair—and that each should receive special treatment. (1) For unruly hair we have a wonderful dressing—Fitch's La Poma—which trains the hair to lie smooth and gives it a glossy sheen. (2) Oily, greasy hair should be treated with Fitch's Quinine—which counteracts the excess flow of oil. (3) If your hair is dry we recommend Fitch's Ideal Tonic. It gradually stimulates a normal supply of oil—bringing natural lustre and sheen. (4) For grey or white hair we have an amazing dressing—Fitch's Tonicque Superbe—which prevents yellowing and streaking and gives the hair a delicate pearly lustre. Whatever your hair condition, come in today for one of these treatments—they take only a few minutes each—and they will mean new life, new vigor for your hair.

Mr. C. F. Redlich, the successful expert says:
 The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.
 Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.
 No elastic belts nor filthy leg- straps are used.
 I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.
 75 per cent of ruptured children recover completely through expert mechanical treatment according to statistics.
 Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

That the court will further decree that if, after applying the proceeds of said sale to the payment of the amounts for which plaintiff herein shall obtain decree and judgment against said defendants, or any of them, of such part of the proceeds of said sale as shall be properly applicable thereto, there shall then remain a balance unpaid to this plaintiff, then and in that event that plaintiff shall have execution for such unpaid balance upon such decree against any of the property of the defendants, Frank J. Auseon and Eva M. Auseon, his wife, J. A. Campbell and Amelia Campbell, his wife, Monroe M. Glaspey and Minta V. Glaspey, his wife, and The National Pig Co., a corporation, or either of them which plaintiff can discover, and for such other general relief as to a court of equity may seem meet and proper in the premises.
