# BOSCH RADIO

## World's Supreme Radio Receivers

Screen Grid Tubes of course, because they are BEST. Bosch Radio Receivers enjoy every modern, proven feature. Seven tubes in all—three screen grid tubes (less would mean sacrifice, more are undesirable) and four other tubes for power detection, push pull amplification! Even pre-tuned detection!

THE STANDARD

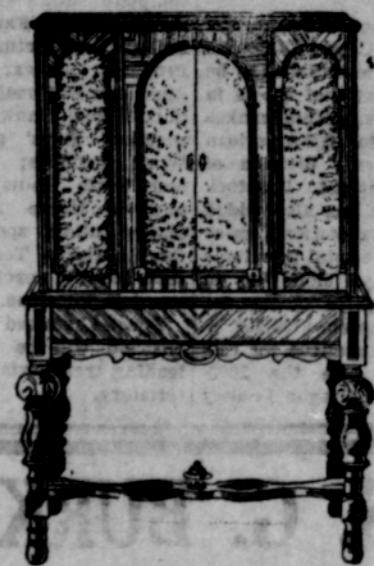

The Standard (above) carries the same chassis as the more expensive models and sells for \$197.00.

Bosch Radio is engineered to the new Screen-Grid Tubes. The fullness of tonal beauty—the whole phenomenon of radio is at your finger-tip command with the new seven tube Bosch radio. It is simplified radio, no gadgets—no fussing. Screen-Grid Bosch Radio has a sensitivity, a clarity, a reserve of power that is without precedent. With it you select the station you want from the nation's offerings. Your home is beautified by a Bosch Radio Cabinet. They are the finest expressions of the cabinet maker's art.

It brings the magic of radio to you with a new thrill of enjoyment. You should insist upon judging Bosch Radio Value on its OWN Merit. We will demonstrate its worth in your own home. You may own this wonderful instrument for as low as \$179 COMPLETE, WITH TUBES. NOTHING ELSE TO BUY. Bosch Radio is this year's greatest value.

## Unsurpassed Performance

Bosch radio receivers are correctly engineered to the new screen grid, four element tubes. Bosch radio, through its mechanical and electrical perfection brings in without distortion—without hum or noise—easy and naturally—the things you want to hear.

THE IMPERIAL

All Bosch Radios have the same 7-tube, screen grid chassis. The Imperial Lowboy sells for only \$179.00.
