## New Victor Records for Old!

For two weeks, from October 23 to November 9, inclusive, we will allow you ten cents credit for every Victor Record you bring to our store. We will accept all your old Victor Records, regardless of age, size or type. We will give you new Victor Records—any selection you choose—in exchange for your old ones. With your old records, therefore, you can build up a credit with us that will pay for a new selection of Victor Records of your choice, without the expenditure of a penny on your part.

### THE ONLY CONDITIONS ARE THESE:

1. All records returned must be Victor Records.
2. All records must be unbroken.
3. All records must be defaced by a large X scratched across the label.

### THAT'S ALL!

Come in! Bring in your old records! Choose your favorite now from our stock, and take home—FREE!—a new stock of brilliant Victor music for your Victrola or Victor Radio-Electrola.

## Proof.

We have heard hunting stories of all sorts from all sports in this section of the country in the last two weeks. The man who killed the first deer of the season; the man who almost got one; the one who went

and never got even a track; the man that got the biggest one, etc., etc. But what the Herald wants to know: Did anyone get a deer besides H. E. Shesely? Herb, that steak was excellent.

## Return With the Bacon.

George Wagner and Otto Pierce returned Saturday night from a week's hunting trip in the mountains. Each bagged a deer, Pierce a large one and Wagner a smaller one. George says he likes the small deers best.

## Watering Horses.

There is a division of opinion as to whether a horse should be watered before, during or after feeding. Water can be given at any of the three times without injurious effect, but it is best to establish a habit after observing the individual horse. The average water consumption of a horse is from ten to twelve gallons daily.

## Deceit in Invention.

There should always be some foundation of fact for the most airy fabric; and pure invention is but the talent of a deceiver.—Byron.
