You know it is only necessary to fool part of the people part of the time to make a living.

But no foolin' we would like to help you plan the remodeling of your home. To make it more attractive, more livable, and make you happier.

In Paris they don't reach for a sweet. Some guy with a lot of time has found 8,500,000 pounds of smoke hanging over Paris.

Is your machinery under cover for this winter? An implement shed will more than save its cost by protection it gives to machinery.

A squirrel is a wise little critter. All summer he stores up for winter so he won't have to live with his wife's folks when the snow comes. How about putting in some coal now and be prepared for Old an Winter.
