EDITORIAL

It's funny. When a person bets on three kings that is gambling; if you bet you can make three spades, that's entertainment; if you bet stocks will go up, that's big business.

R. A. Brownson, Editor.

T-A-L Modern invention and progress is all right but did you ever take a bath and use paper towels?

T-A-L Lots of coal moving now. Are you getting your share.

T-A-L A hotel in a small town announced that after the new roof was put on there would be no more running water in the rooms.

T-A-L Our roofing does just that—stops water, keeps in heat and keeps out of despondency, don't despair. The old, wears and wears and wears, sun has a sinking spell each night, but and is reasonably priced.

DRY WOOD
—and—
HOT COAL

T-A-L "So live that when the summons comes you will have a friend in the city hall.

T-A-L Hee—Aren't you wild about bathing beauties?
Ha—Idon't know. Never bathed one.

T-A-L The huddle system in football was started after a coach saw five Scotchmen lighting their pipes.

T-A-L Because you have occasional spells water, keeps in heat and keeps out of despondency, don't despair. The old, wears and wears and wears, sun has a sinking spell each night, but it rises the next morning.

THE WAY TO BEAUTIFUL HOMES

There's
no more
color-

guesswork in house painting

Imagine this house painted light cream, trimmed with Carmel blue and its roof in silver gray. You can paint your house just as colorfully and harmoniously with the help of the B-H Exterior Color Harmony Selector which takes all the color guesswork out of painting.

The Selector shows shades of B-H brand Prepared Paint and Stucco Coatings arranged according to the laws of color harmony. It will help you solve any exterior color problem, and B-H paints will last

for years. Send our name and 10 cents to Bass-Hueter for this helpful Selector and its colorful companion booklet "Harmonious Exterior". Then see us for your paints.
